

## Church Welcome Speech

I want to take a moment to extend a very warm welcome to everyone who's visiting us for the first time this morning. Whether you're just having a look, or are searching out for a place to worship, we're delighted to have you here.

To give you some idea of what we're all about, I'll quickly sketch some of our foundational beliefs.

Our vision says this: Getting and growing people in relationship with Jesus.

So firstly, we're all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So if this is your first time in church, we hope that get to know Him as we do, because He's truly what life is all about for us!

Secondly we're all about people. Every person who walks through our doors is important to us, so if you ever feel like just another number, we're doing something wrong and I give you permission to tell me about it.

As a group of God's people we care about you and your family and we're here not only to feed you spiritually, but to help in any way we can. We love doing it and it's why we exist!

Williams, 2012-10 The most important legacy a person can leave behind is reflected in the lives they touch for Christ during their lifetime After serving the Seventh day Adventist Church for more than 100 years in different capacities the Wilson family has left quite a legacy that continues on today The legacy began when William Henry Wilson gave his heart to the Lord after hearing Ellen White preach at a camp meeting in California Although his time on earth was short he dedicated himself to studying God's word and before he passed away he asked his sons to promise him that they would commit their lives to serving the church Nathaniel Wilson gave his word that he would serve the Lord and he did so in a mighty way working in various conferences in the States and serving overseas in Africa Asia Australia and India Neal C Wilson carried his father's legacy forward and served in the Middle East and North America before accepting the call to lead the world church Along the way Neal mentored his son Ted N C Wilson who followed in his father's footsteps and ministered in Africa Russia and currently at the General Conference as president of the Adventist Church Four generations of Wilsons along with their wives and families have stood firm in their commitment to God and their church Highly Committed traces the history of the Wilson family from William Henry and Isabella Wilson through Ted N C and Nancy Wilson Their family's story is one of providential guidance and unwavering commitment May you be blessed as you read the story of this God fearing family and may you be inspired to commit your life to following God and making a difference for the kingdom      *Study of Nationalization Laws and Procedures* United States. Catholicism after first being contacted in the late 1950s and subsequently participated in a charismatic movement before more and more members of the younger generation started to separate themselves from their respective catholic families and to convert to one of the most radical and fastest growing religious groups not only in contemporary Papua New Guinea but world wide the Seventh Day Adventist Church This case study of local Christianity as a lived religion contributes to an understanding of the social and cultural dynamics that increasingly incite and shape religious conflicts on a global scale

For the Sake of the Gospel Desmond Ford, Gillian Ford, 2008 Nearly thirty years ago the Seventh day Adventist church defrocked Dr Desmond Ford for publicly challenging the denomination s prophetic views At the same time and on the same basis many other ministers also lost their positions Ford had been a top Adventist scholar who had taught ministerial students and future teachers in Adventism s tertiary institutions in Australia and the U S What led him to speak out and is the debate still current today What were the issues and who were the parties involved Why was it important then Why does it matter now This book answers all these questions and shows that the key to prophetic interpretation is Christ and his gospel not humanly devised calculations hidden in musty history books Christ clearly teaches it is not for us to know the times and seasons yet official Adventism continues to teach prophetic timelines that are based on faulty premises The Adventist teaching of the Investigative Judgment which supposedly began in 1844 mutes the New Testament gospel and most Adventist scholars know this It is time for official Adventism to renounce their errors and become fully Christian in their doctrinal teachings *The Author & Journalist* ,1924 **Botswana Notes and Records** ,1997 **Christian Standard** ,1908
