---

“Dear Lord,

We kneel before You this hour with thanksgiving for bringing us together in love and safety. Sometimes, we hurriedly start our meetings without recognizing Your greatness. Please forgive us.

Today, we ask You to be with us throughout this meeting and lead our thoughts to Your glory. May every conversation in this online meeting be inspired by Your Holy Spirit. Please strengthen us as a group in Jesus' name.

*Amen”*

**Shaping Spiritual Leaders** Abigail Johnson, 2007-08-17 Supervision the shaping of spiritual leaders occurs formally and informally in many aspects of congregational life Every year thousands of pastors supervise field education students and interns staff members and lay leaders often supervise committee members or other staff clergy and lay leaders supervise each other as a way to offer support and establish accountability While supervision enhances the work of all concerned it is rarely explicitly addressed in congregations For over fifteen years Abigail Johnson has supervised and trained others to supervise candidates for ordination within the United Church of Canada Recognizing that supervision is as important in the formation of lay leaders as in the life of candidates for ordination she has developed this book to guide all who supervise others in a congregation Johnson views supervision as a ministry and shows how leaders can use their own innate gifts to enhance their supervision skills By shaping the supervision relationship based on the gifts of the people involved as well as the context in which the relationship occurs supervision can become an opportunity for mutual growth and learning that strengthens all other areas of ministry This book provides a hands on approach to supervision addressing key areas such as identifying a learning focus covenanting managing conflict understanding and using power and authority offering and receiving feedback and evaluation and celebrating and ending the supervisory relationship Supervisors who pay attention to these and other key areas will help those they supervise develop their gifts for ministry in all forms **The Lookout for**

Meeting Jesus at University Edward Dutton, 2008 How does university turn students into who they become Why are student evangelicals such a significant and controversial force at so many universities In many countries university has become the main Rite of Passage between the child and adult worlds University can be enjoyable and fascinating but also life

changing and traumatic And at the exact time when a student s identity is the most challenged and uncertain student evangelical groups are highly organised on many university campuses to offer students a powerful identity so that the world makes sense once again For some these groups will protect them from the university s assault on their faith For others they will challenge and even change who they are Meeting Jesus at University explores universities in six countries Drawing upon detailed fieldwork it examines the largest student evangelical group at each university in order to understand in depth the relationship between the student evangelical group and the university which it aims to convert Meeting Jesus at University offers an original contribution to the discussion of Rites of Passage examining what is experienced at university and how university breaks down and remoulds young people It explores why student evangelicals are so active particularly at Britain and America s most prestigious and identity challenging institutions meaning that students at these places are the most likely to find themselves meeting Jesus at university The Canadian Baptist ,1904 *The Church Missionary Gleaner* ,1885
