Sample Essay Thanking Athletic Coach:

Representations of Sports Coaches in Film Katharina Bonzel, Nicholas Chare, 2018-10-11 This ground breaking interdisciplinary collection brings together leading international scholars working across the humanities and social sciences to examine ways in which representations of sports coaching in narrative and documentary cinema can shape and inform sporting instruction The central premise of the volume is that films featuring sports coaches potentially reflect reinforce or contest how their audiences comprehend the world of coaching Despite the growing interest in theories of coaching and in the study of the sports film as a genre specific analyses of filmic depictions of sports coaches are still rare despite coaches often having a central role as figures shaping the values social situation and cultural expectations of the athletes they train By way of a series of enlightening and original studies this volume redresses the relative neglect afforded to sports coaching in film and simultaneously highlights the immense value that research in this emerging field has for sporting performance and social justice This book was originally published as a special issue of the journal Sports Coaching Review

Masculinities, Gender Relations, and Sport Jim McKay, Michael A. Messner, Donald Sabo, 2000-05-26 The papers in this collection consider how the study of masculinities in sport can be integrated with critical feminist studies how to deal with the tendency to over emphasize negative outcomes and the increasing trend to violence in sport **Complexity in Games**

Teaching and Coaching Felix Lebed, 2022-03-03 Shedding new light on sport pedagogy and the teaching and coaching of games this book shows how complexity theory can be used to improve team sport performance coach education and young player development The book draws together insights from both the humanities and behavioural sciences including psychology philosophy anthropology sociology history and play theory into a new educational methodology for team sports It shows how concepts from complexity theory underpin and inform team sport dynamics including the uncontrolled nature of live human systems the nature of complex systems and how this shapes student and young athlete learning self organization and its relation to decision making in play and mental self regulation and motivation It presents an innovative and sophisticated definition of sport pedagogy that can help teachers and coaches deepen their understanding of teaching and learning in team sports and help them develop more motivated more effective and more creative athletes **Sociology of Sport**
