

Dear ANCS Community,

The nomination process for the Atlanta Neighborhood Charter School's 2013-2014 governing board of directors is now beginning. The governing board is the school's legal representative body. It is responsible for establishing, monitoring, and evaluating the policies and performance of the school. The board is made up of parents/guardians, school principals/executive director, and community members.

All members of the school community are encouraged to consider nominating parents or community members who they think would be effective board members. It is then the responsibility of the nominating committee to review the nominees and develop a recommended slate of nominees to be presented to the Governing Board for approval and then to the PTCA for ratification.

The nominees placed on the slate shall fulfill the requirements and goals for the composition of the governing board outlined in the ANCS by-laws. It is helpful if nominees have been active in the school community and/or possess specific skills that enhance the board such as finance, human resources or management, fundraising, non-profit or other governing board experience, legal, and/or media or public relations experience. Employees of the school, other than the principals and executive director, may not serve on the board of directors; however all employees may make nominations and participate in the PTCA ratification vote.

Position description for all board members:

- Regularly attend all monthly board meetings and other board functions.
- Chair a board committee and/or serve as an officer of the board.
- Provide oversight of the Executive Director.
- Provide leadership in implementing school vision and goals (including fundraising goals).
- Encourage teamwork within the group and facilitate communication among members.
- Serve as a positive force within the school.

The governing board requires representatives from both the elementary and middle school campuses. All board terms are for 3 years. Additional information about board committees and the governing board in general can be found in the ANCS bylaws located on the website.

To nominate yourself, please complete the Board Nomination Form found on the website and return it as directed. If you would like to nominate someone else, please do so by sending them the link and asking them to complete and submit the nomination form.

Completed forms should be submitted to Leslie Rowe, ANCS Board Chair. Electronic submissions may be sent to leesierowe@atlantacharterschool.org, and hard copy submissions may be sent to 705 Cherokee Avenue, SE, Atlanta, GA 30315. Forms must be received by 5pm, Friday, February 22nd. LATE nominations will NOT be considered.

Sincerely,

Leslie Rowe
Chair, ANCS Governing Board

Vanessa Siddle Walker, 2018-07-31 A Publishers Weekly Best Book of 2018 An important contribution to our understanding of how ordinary people found the strength to fight for equality for schoolchildren and their teachers Wall Street Journal In the epic tradition of *Eyes on the Prize* and with the cultural significance of John Lewis s March trilogy an ambitious and harrowing account of the devoted black educators who battled southern school segregation and inequality For two years an aging Dr Horace Tate a former teacher principal and state senator told Emory University professor Vanessa Siddle Walker about his clandestine travels on unpaved roads under the cover of night meeting with other educators and with Dr King Georgia politicians and even U S presidents Sometimes he and Walker spoke by phone sometimes in his office sometimes in his home always Tate shared fascinating stories of the times leading up to and following *Brown v Board of Education* Dramatically on his deathbed he asked Walker to return to his office in Atlanta in a building that was once the headquarters

of another kind of southern strategy one driven by integrity and equality Just days after Dr Tate s passing in 2002 Walker honored his wish Up a dusty rickety staircase locked in a concealed attic she found the collection a massive archive documenting the underground actors and covert strategies behind the most significant era of the fight for educational justice Thus began Walker s sixteen year project to uncover the network of educators behind countless battles in courtrooms schools and communities for the education of black children Until now the courageous story of how black Americans in the South won so much and subsequently fell so far has been incomplete The Lost Education of Horace Tate is a monumental work that offers fresh insight into the southern struggle for human rights revealing little known accounts of leaders such as W E B Du Bois and James Weldon Johnson as well as hidden provocateurs like Horace Tate
