

Classification Essay

Definition:

In a classification essay, we organize things into categories and give examples of things that fit into each category. For example, if you choose to write about types of computers (PCs and servers), each of your developmental paragraphs will define the characteristics of a different computer type.

Classification criteria:

Before writing, it is necessary to decide on the classification criteria. We should think according to what properties we are going to classify things. The criteria must be discriminating and the emerging classes should be non-overlapping.

In the [sample essay](#) about types of computers, the computers are classified according to their functions and capabilities, as:

Sample essay analysis

<u>topic: 5 types of computers</u>	<u>criteria: their functions</u>	<u>and capabilities</u>
1. PC	general use by a single person	desktop: permanent laptop: portable
2. Workstation	used for 3D graphics, game development	powerful microprocessor, additional memory and enhanced capabilities
3. Server	used to provide services to other computers	have powerful processors, lots of memory and large hard drives
4. Main frame	used in business	enables hundreds of people to work together
5. Super computer	used for jobs that take massive amounts of calculating	very powerful
