New Syllabus Mathematics Textbook 1 6th Edition:

New Syllabus Mathematics Textbook 4 Teh Keng Seng, Loh Cheng Yee, 2008-01-01 New Syllabus Mathematics is a series of four books. These books follow the Mathematics Syllabus for Secondary Schools implemented from 2007 by the Ministry of Education Singapore. The whole series covers the complete syllabus for the Singapore Cambridge GCE O Level Mathematics. The sixth edition of New Syllabus Mathematics retains the goals and objectives of the previous edition but has been revised to meet the needs of the current users to keep materials up to date as well as to give students a better understanding of the contents. All topics are comprehensively dealt with to provide students with a firm grounding in the subject. Explanations of concepts and principles are precise and written clearly and concisely with supportive illustrations and examples. Examples and exercises have been carefully graded to aid students in progressing within and beyond each level. Those exercises marked with a require either more thinking or involve more calculations. Numerous revision exercises are provided at appropriate intervals to enable students to recapitulate what they have learnt. Some interesting features of this series include the following: an interesting introduction at the beginning of each chapter complete with photographs or graphics; brief specific instructional objectives for each chapter; Just For Fun arouses the students' interests in studying mathematics; Thinking Time encourages students to think creatively and go deeper into the topics; Exploration provides opportunities for students to learn actively and independently; For Your Information provides extra information on mathematicians, mathematical history and events etc; Problem Solving Tips provides suggestions to help students in their thinking processes. We also introduce problem solving heuristics and strategies systemically throughout the series. Your Attention alerts students to misconceptions.
