

PEPPERDINE ESSAY SAMPLE

Prompt: Pepperdine University is a Christian university committed to the highest standards of academic excellence and Christian values, where students are strengthened for lives of purpose, service, and leadership. How are you prepared to contribute to Pepperdine's mission and community of faith, learning, and service?

I was raised in a family that is not like the others. I have a single, unemployed mom, with 4 brothers. In the eyes of other people, we must have done something bad for deserving that kind of life. However, what they do not know is that everyday, and everytime we feel that things get lost, we only look to God for direction. We make sure that we spend time for reflection and meditation, and talk about our faith in God.

We are not an average family, so to say. However, I would not want it other ways. The challenges and experiences we have all endured together have prepared me well for what is still to come. We make sure that we thank God for the blessings, even the most little ones, even the life that we receive every day. Today, I still find myself looking down at my shoes, and feel proud, reaching this point without stepping on anybody.

My shoes have been torn and weathered, but I still continue preparing it for every step. I have grown together with my family, observing, seeing, and living the things which have equipped me with a sense of readiness. I am determined to put my priorities first, all through God's guidance. The only pair of shoes that I have is not just proof of where I have been, but also the lessons I learned during my journey.

I believe that with the guidance of the educators at Pepperdine University, I will become more ready to give my shoes off to others, enabling others to learn from all of my experiences, inspiring them to direct their own. I am anxious, yet excited and mindful of the things yet to come, continuing in my growth as an individual who is willing to be molded in the hands of God.
