

MT. OLYMPUS

*"I'm twelve years old. Until a few months ago, I was a boarding student at Yancy Academy, a private school for troubled kids in upstate New York. Am I a troubled kid? Yeah. You could say that."*

## PARENTS, OR LACK OF THEM

### SALLY JACKSON

Percy's mother. Has long brown hair streaked with gray, eyes the color of the sea, and a smile as warm as a quilt. Sally was orphaned at an early age.

### MYSTERY PLANE CRASH ORPHANS CHILD

Reports were coming in last night that at least one child has been orphaned as a result of the devastating plane crash in New York State yesterday. Sally Jackson, age five, is the only daughter of Jim and Laura Jackson. Both are known passengers on the plane, which came down in a field 150 miles south of Lake Ontario at 3AM yesterday morning. No survivors have been found and the cause of the crash is as yet unknown.

Neighbors of the Jacksons have paid tribute to "the lovely family who always had time for everyone" and were respected members of the community. Sally is reported to be staying with an uncle until her future can be decided.

*My dear Sally*

*It breaks my heart to write you this note, but I have no one else to turn to. I know how much you've been through and how hard you've worked to get to college. But now I know there is nothing more the doctors can do to help me and my health insurance has run out. You're my only hope. Could you tell a doctor in the city to look after you for a while? I'll be finally happy this world.*

*Uncle Rush*

Maxwell, 2023-05-12 The United States is accustomed to accepting waves of migrants who are fleeing oppressive conditions and political persecution in their home countries But in the 1960s and 1970s the flow of migration reversed as over fifty thousand Americans fled across the border to Canada to resist military service during the Vietnam War or to escape their homeland's hawkish society Unguarded Border tells their stories and in the process describes a migrant experience that does not fit the usual paradigms Rather than treating these American refugees as unwelcome foreigners Canada embraced them refusing to extradite draft resisters or military deserters and not even requiring passports for the border crossing And instead of forming close knit migrant communities most of these migrants sought to integrate themselves within Canadian society Historian Donald W Maxwell explores how these Americans in exile forged cosmopolitan identities coming to regard themselves as global citizens a status complicated by the Canadian government's attempts to claim them and the U S government's eventual efforts to reclaim them Unguarded Border offers a new perspective on a movement that permanently changed perceptions of compulsory military service migration and national identity The United States Catalog Eleanor E.
