**The Peacekeeping Economy** Lloyd J. Dumas,2011-01-01 The idea that military strength is virtually synonymous with security is deeply entrenched and widely held But while the threat or use of military force may sometimes be necessary it cannot keep us as safe as we would be by building relationships that replace hostility with a sense of mutual purpose and mutual gain Economic relationships says Lloyd J Dumas can offer a far more effective and far less costly means of

maintaining security After defining the right kind of economic relationship one that is balanced and nonexploitative emphasizes development and minimizes environmental damage Dumas then addresses some practical concerns in establishing and maintaining these relationships He also considers the practical problems of the transition from military based security arrangements to economic peacekeeping and the effects of demilitarized security on economic development and prosperity

Mortality and Faith David Horowitz, 2019-05-21 Mortality and Faith is the second half of an autobiography of David Horowitz whose first installment Radical Son was published more than twenty years ago It completes the account of his life from where the first book left off to his seventy eighth year In contrast to Radical Son whose focus was his political odyssey Mortality and Faith was conceived as a meditation on age and on our common progress towards an end which is both final and opaque These primal facts affect all we see and do and force us to answer the questions as to why we are here and where we are going with conjectures that can only be taken on faith Consequently an equally important theme of this work is its exploration of the beliefs we embrace to answer these questions and how the answers impact our lives

Fundamentals of Planning and Assessment for Libraries Rachel A. Fleming-May, Regina Mays, 2021-07-23 The concepts of planning and assessment are intrinsically linked and understanding them is essential for raising the library's profile and strengthening its position among stakeholders and the community Even if you're an LIS student or are new to the profession or if planning or assessment are not your primary areas of responsibility you still have a role to play in the success of organizational efforts Fleming May has more than a decade of experience in planning and assessment initiatives and instruction and Mays was her institution's first assessment librarian their primer draws from theory research and their first hand observations to illuminate such topics as characteristics of bad planning strategy that can help to illustrate a better approach reasons why using economic models like ROI fall short how to mix the three types of planning guidelines to ensure that assessment is meaningful and actionable tips for creating effective surveys emphasizing users needs with a critical assessment framework data analysis for surveys interviews focus groups and observation four questions to ask about audience level before you develop a report a sample 3 year assessment plan that can be customized and seven steps for developing a culture of ongoing assessment
