Environmental Protection Agency,1974 *Diesel Progress North American* ,1987 **Diesel Particulate Emissions Landmark Research 1994-2001** John H Johnson,2002-02-20 The need for

manufacturers to meet U S Environmental Protection Agency EPA mobile source diesel emissions standards for on highway light duty and heavy duty vehicles has been the driving force for the control of diesel particulate and NOx emissions reductions Diesel Particulate Emissions Landmark Research 1994 2001 contains the latest research and development findings that will help guide engineers to achieve low particulate emissions from future engines Based on extensive SAE literature from the past seven years the 45 papers in this book have been selected from the SAE Transactions Journals

Mechanical Fault Diagnosis and condition monitoring R. Collacott,2012-12-06 Although the most sophisticated fault diagnosis and condition monitoring systems have their origin in the aerospace and nuclear energy industries their use is by no means restricted to such areas of high technology Modern machinery in most industrial plants is now so complex and expensive that mechanics find it increasingly difficult to detect failure by for instance recognising changes in sound signatures and few plants can afford the luxury of regular stripping down Increasingly therefore early warning devices are being employed in an effort to prevent catastrophic breakdown This book provides the first coordinated compilation of fault diagnosis and condition monitoring devices It proceeds in three logical steps The early chapters deal with those conditions which contribute to deterioration and the consequent likely development of faults The middle part of the book considers the various techniques of monitoring and discusses the criteria for their selection in different situations The final chapters provide a guide to the interpretation of the information signals deriving from monitoring relating to reliability science and the mathematics of probability and thus providing decision data on which management can act **April 2024 - Surplus**
