Persepolis 2 Marjane Satrapi:

Persepolis 2 Marjane Satrapi, 2004-08-31 The fascinating continuation of the best selling *Persepolis* one of the freshest and most original memoirs of our day Los Angeles Times Marjane Satrapi dazzles with her heartrending graphic memoir about growing up in Iran during the Islamic Revolution In 1984 Marjane flees fundamentalism and the war with Iraq to begin a new life in Vienna Once there she faces the trials of adolescence far from her friends and family and while she soon carves out a place for herself among a group of fellow outsiders she continues to struggle for a sense of belonging Finding that she misses her home more than she can stand Marjane returns to Iran after graduation Her difficult homecoming forces her to confront the changes both she and her country have undergone in her absence and her shame at what she perceives as her failure in Austria Marjane allows her past to weigh heavily on her until she finds some like minded friends falls in love and begins studying art at a university However the repression and state sanctioned chauvinism eventually lead her to question whether she can have a future in Iran As funny and poignant as its predecessor *Persepolis 2* is another clear eyed and searing condemnation of the human cost of fundamentalism In its depiction of the struggles of growing up here compounded by Marjane's status as an outsider both abroad and at home it is raw honest and incredibly illuminating

Girls and Their Comics Jacqueline Danziger-Russell, 2013 In America comics and comic books have often been associated with adolescent male fantasy muscle bound superheroes and scantily clad women Nonetheless comics have also been read and enjoyed by girls While there have been many strong representations of women throughout their history the comics of today have evolved and matured becoming a potent medium in which to explore the female experience particularly that of girlhood and adolescence In *Girls and Their Comics Finding a Female Voice in Comic Book Narrative* Jacqueline Danziger Russell contends that comics have a unique place in the representation of female characters She discusses the overall history of the comic book paying special attention to girls comics showing how such works relate to a female point of view While examining the concept of visual literacy Danziger Russell asserts that comics are an excellent space in which the marginalized voices of girls may be expressed This volume also includes a chapter on manga Japanese comics which explains the genesis of girls comics in Japan and their popularity with girls in the United States Including interviews with librarians comic creators and girls who read comics and manga *Girls and Their Comics* is an important examination of the growing interest in comic books among young females and will appeal to a wide audience including literary theorists teachers librarians popular culture and women's studies scholars and comic book historians

Iranian and Diasporic Literature in the 21st Century Daniel Grassian, 2013-02-18 The most populous Islamic country in the Middle East Iran is rife with contradictions in many ways caught between the culture and governments of the Western more dominant and arguably imperialist world and the ideology of conservative fundamentalist Islam This book explores the present day writings of authors who explore these oppositional forces often finding a middle course between the often brutal and demonizing rhetoric from both sides To combat how the

West has falsely generalized and stereotyped Iran and how Iran has falsely generalized and stereotyped the West Iranian and diasporic writers deconstruct Western caricatures of Iran and Iranian caricatures of the West In so doing they provide especially valuable insights into life in Iran today and into life in the West for diasporic Iranians

Persepolis Marjane Satrapi, 2004-06-01 BEST SELLER A NEW YORK TIMES NOTABLE BOOK Wise funny and heartbreaking Persepolis is Marjane Satrapi's acclaimed graphic memoir of growing up in Iran during the Islamic Revolution A wholly original achievement Satrapi evokes herself and her schoolmates coming of age in a world of protests and disappearances A stark shocking impact The New York Times The 50 Best Memoirs of the Past 50 Years In powerful black and white comic strip images Satrapi tells the coming of age story of her life in Tehran from ages six to fourteen years that saw the overthrow of the Shah's regime the triumph of the Islamic Revolution and the devastating effects of war with Iraq The intelligent and outspoken only child of committed Marxists and the great granddaughter of one of Iran's last emperors Marjane bears witness to a childhood uniquely entwined with the history of her country Persepolis paints an unforgettable portrait of daily life in Iran and of the bewildering contradictions between home life and public life Marjane's child's eye view of dethroned emperors state sanctioned whippings and heroes of the revolution allows us to learn as she does the history of this fascinating country and of her own extraordinary family Intensely personal profoundly political and wholly original Persepolis is at once a story of growing up and a reminder of the human cost of war and political repression It shows how we carry on with laughter and tears in the face of absurdity And finally it introduces us to an irresistible little girl with whom we cannot help but fall in love

Witnessing Girlhood Leigh Gilmore, Elizabeth Marshall, 2019-09-17 When more than 150 women testified in 2018 to the sexual abuse inflicted on them by Dr Larry Nassar when they were young competitive gymnasts they exposed and transformed the conditions that shielded their violation including the testimonial disadvantages that cluster at the site of gender youth and race In Witnessing Girlhood Leigh Gilmore and Elizabeth Marshall argue that they also joined a long tradition of autobiographical writing led by women of color in which adults use the figure and narrative of child witness to expose harm and seek justice Witnessing Girlhood charts a history of how women use life narrative to transform conditions of suffering silencing and injustice into accounts that enjoin ethical response Drawing on a deep and diverse archive of self representational forms slave narratives testimonio memoir comics and picture books Gilmore and Marshall attend to how authors return to a narrative of traumatized and silenced girlhood and the figure of the child witness in order to offer public testimony Emerging within these accounts are key scenes and figures that link a range of texts and forms from the mid nineteenth century to the contemporary period Gilmore and Marshall offer a genealogy of the reverberations across timelines self representational acts and jurisdictions of the child witness in life writing Reconstructing these historical and theoretical trajectories restores an intersectional testimonial history of writing by women of color about sexual and racist violence to the center of life writing and in so doing furthers our capacity to engage ethically with representations of vulnerability childhood

Crossing Boundaries with Children's Books Doris Gebel, United States Board on Books for Young People, 2006-05-25 This annotated bibliography organized geographically by world region and country describing nearly 700 books representing 73 countries is a valuable resource for librarians teachers and anyone else seeking

to promote international understanding through children's literature. It is the third volume sponsored by the United States Board on Books for Young People. The first, Carl M. Tomlinson's *Children's Books from Other Countries* (1998), is a compendium of international children's literature with annotations of both in and out of print books published between 1950 and 1996. Susan Stan's *The World Through Children's Books* (2002) was the second, and it included books published between the years 1997 and 2000. *Crossing Boundaries* includes international children's books published between 2000 and 2004, as well as selected American books set in countries other than the United States. Editor Doris Gebel has compiled an important tool for providing stories that will help children understand our differences while simultaneously demonstrating our common humanity.

Persian Language, Literature and Culture Kamran Talattof, 2015-03-05. Critical approaches to the study of topics related to Persian literature and Iranian culture have evolved in recent decades. The essays included in this volume collectively demonstrate the most recent creative approaches to the study of the Persian language, literature, and culture, and the way these methodologies have progressed academic debate. Topics covered include culture, cognition, history, the social context of literary criticism, the problematics of literary modernity, and the issues of writing literary history. More specifically, authors explore the nuances of these topics: literature and life, poetry and nature, culture and literature, women and literature, freedom of literature, Persian language, power and censorship, and issues related to translation and translating Persian literature, in particular. In dealing with these seminal subjects, contributors acknowledge and contemplate the works of Ahmad Karimi Hakkak and other pioneering critics, analysing how these works have influenced the field of literary and cultural studies. Contributing a variety of theoretical and interdisciplinary approaches to this field of study, this book is a valuable addition to the study of Persian poetry and prose, and to literary criticism more broadly.
