Student Financial Literacy Dorothy B. Durband, Sonya L. Britt, 2012-04-04. College students are particularly vulnerable to making poor financial decisions. One method of addressing personal finances and financial stress among students of higher education is through university-based financial education programs. **Student Financial Literacy Program Development** presents effective strategies to assist in the implementation or the enhancement of a program as a tool to improve students' educational experience and financial well-being. It presents the key components of financial education programs designed to address the growing concerns associated with high levels of debt and low levels of financial literacy among college students. **Student Financial Literacy Campus Based Program Development** is packed with financial education and counseling information and guidance. It was very difficult to write this review as I wanted to share ALL the excellent direction this book provides. The editors and contributing authors have developed an excellent resource for not only those interested in developing or enhancing a campus-based financial education program but also for anyone involved in financial education, counseling, and planning.
