Davey,2020-06-11 This book explores non consensual adoption an area of law which has sparked considerable debate amongst academics practitioners and the judiciary nationally and internationally The emphasis of this book is on the circumstances in which non consensual adoption may be regarded as a proportionate measure and when less severe forms of intervention such as long term foster care or kinship care may also meet children s needs while providing protection to children s rights under the European Convention on Human Rights The book builds on existing literature on adoption law but takes the discussion in new directions placing an emphasis on the need to closely scrutinise children s and parents rights at all stages of the adoption process not simply when parents appeal against the making of an adoption order A unique feature of this book is its emphasis on routinely incorporating key provisions from the United Nations Convention on the Rights of the Child into analysis when determining whether an adoption order is a proportionate measure the sunday school teachers magazine ,1865 Using Film to Understand Childhood and Practice Sue Aitken,2018-02-08 Using Film to

Understand Childhood and Practice is an innovative and lively text which allows complex and challenging issues within childhood studies to be explored using the medium of filmed drama By utilising popular culture this book provides accessible narratives to students and lecturers needing to engage with complex theoretical ideas In exposing theories to tangible situations often from more than one perspective in films readers are helped to identify and recognise how theories about children and childhood can be applied Each chapter uses a specific film to provide the basis for discussion in order to explore and analyse key concepts within childhood studies which include identity social construction families political and biological narratives children s rights and participation A range of international films are used including Charlie and the Chocolate Factory Rabbit Proof Fence The Hunger Games and The Red Balloon First introducing the theoretical perspective to be discussed chapters also include a contextual explanation of the film and list the specific scenes that will be used to guide students through Concluding with discussion questions students are asked to consider how the theories discussed might be translated in to their own experiences of children childhood and practice Not only supporting understanding of core principles and key ideas across any childhood studies degree this book supports students throughout their university career and beyond by engaging with the journey of becoming a graduate as well as discussion of workplace issues and concepts after graduation Journal of the Physical Society of Japan ,2013 **The Journal of Education for Upper Canada** ,1864

Paideia: The World of the Second Sophistic Barbara E. Borg,2008-08-22 In the World of the Second Sophistic education paideia was a crucial factor in the discourse of power Knowledge in the fields of medicine history philosophy and poetry joined with rhetorical brilliance and a presentable manner became the outward appearance of the elite of the Eastern

Roman Empire This outward appearance guaranteed a high social status as well as political and economical power for the individual and major advantages for their hometowns in interpolis competition Since paideia was related particularly to Classical Greek antiquity it was at the same time fundamental to the new self confidence of the Greek East This book presents for the first time studies from a broad range of disciplines on various fields of life and on different media in which this ideology became manifest These contributions show that the Sophists and their texts were only the most prominent exponents of a system of thoughts and values structuring the life of the elite in general
