he agrees to escort the woman he's never heard of on some kind of press grab. He doesn't much care about how beautiful a woman is if she's rotten on the inside. Ekko Kaur is playing chicken with a country and she's not about to blink. With cameras aimed at her, she knows her former home country can't make a move and silence her like they've done to so many others. Like her brother. Now if a certain hunky obnoxious someone would just stay out of her way. The simple bodyguard job turns complicated when Silas discovers that Ekko is smuggling people out of the country. And not just anyone. Whistleblowers scheduled to testify at the United Nations. His camera hungry client isn't at all what she appears and very soon he finds himself falling for the woman the world doesn't know. But he has to keep her alive first. Technical Risk Sidney

Bristol, 2020-03-17 Diha Balakrishnan knows she should be focused on the task force's latest objective: hunting down a notorious hacker. Ever since joining the team, her career has been as exciting as she dreamed, but it's also lonely. Which is why she has a secret goal: one only her closest friend knows about. She wants to catch the eye of the sexy British spy Miles Green. His career is on the ropes and he's not thrilled about being tapped to work with an American team. The chance to catch the hacker responsible for derailing two commuter trains is too good to pass up. But then he sees her. The woman with the sultry eyes and Miles begins to wonder if she's what his life has been missing. He's always been a work first man, but she makes him want more. After half the team is falsely arrested, it's up to Diha and Miles to work together and bring the hacker down. It's a job that requires them to work closely together, which makes ignoring the sparks that much more difficult. But while the flames burn hot between them, another threat looms. Aegis Group. Assignment Sidney Bristol, 2017-12-19 Veteran Navy SEAL Luke Briar has a solution for every problem except when his latest job goes sideways. Things were so much simpler when all he had to worry about was how to put a smile on Abigail's face, though nothing he does chases the shadows from her eyes. Now Luke and his lovely new partner must protect a pair of criminals from people trying to kill them. Abigail is a lie. Everything about her is false, but keeping the truth from her partner is becoming increasingly difficult. Her mission was simple: kill two internationally wanted criminals and get out. But she wasn't counting on him, Luke. He awakens parts of her she long thought were dead. But people like her don't get second chances at life, and her betrayal will crush any happiness they might have had. Falling for Luke can't happen. When the tables are turned and someone else gets to Abigail's targets before she can, all hell breaks loose. Luke doesn't know if the woman he's fallen for is a terrorist or something worse. Explosive desire isn't a license for murder, but he can't live without her. With the authorities
