Piece Of My Heart:

A Piece of My Heart Molly Fumia, 2000-06-01 A woman chronicles the death of her infant son and her subsequent painful struggle to overcome the tragedy which led to reconciliation and healing By the author of Safe Passage Original [A Piece of My Heart](#) Carol Ebert, 2025-06-26 This entire book was written as a result of losing my eighteen year old son in a car accident He was driving in a caravan of five cars going to a car show He was driving too fast on a turnpike in Oklahoma in the rain when his car hydroplaned spun around backward and slid under the front of a wrecker on the side of the highway The wrecker and a highway patrol officer were there as a result of another car that had hydroplaned in the same area prior to my son The other people in the caravan knew that Michael had been in an accident and pulled off the highway and called me saying they didn't know what hospital he would be going to yet My husband my youngest son and I jumped in the car and headed toward the accident thinking that he would be taken to a Tulsa or Oklahoma City hospital fifty to one hundred fifty miles away I saw a sign on the way that said dial 55 in case of emergency This happened shortly after cell phones became a thing The call center patched us through to the patrol officer who said our call was breaking up and if I could hear him to meet him at the police station in Bristow Oklahoma At this point I was sure we had lost him Months later I contacted the patrol officer to see if he remembered the accident and could tell me what had happened in detail When the officer got to Michael from his patrol car where he was sitting with the girl who had wrecked previously my son was breathing like people do before they die Mike was pinned in his car and there was nothing they could do He died soon after The officer said he was afraid we would drive up on the accident which is why he had us go to the police station I wrote this book as a way to vent my anger at God for taking my son and this book is what happened next *Piece of My Heart* Peter Robinson, 2009-02-24 The sixteenth novel in the acclaimed Inspector Banks series Richly textured with the music and conflicting mores of 1960s Britain *Piece of My Heart* weaves between two eras as it explores just how dangerously things can go awry when one generation is estranged from the next when fathers no longer understand their daughters 1969 Yorkshire's first outdoor rock festival has just finished and the psychedelic pastoral band the Mad Hatters and other top British groups have departed Even the last of their fans has gone leaving behind only a muddy field littered with rubbish Volunteers are cleaning up when one of them finds the body of a young woman inside a sleeping bag Stanley Chadwick the straitlaced detective called in to find her killer could not have less in common with or less regard for the people he now has to question young disrespectful long haired hippies who smoke marijuana and live by the pulsing beats of rock and roll And he has almost just as little in common with his own daughter who lied to him about her whereabouts and slipped off to the festival More than thirty five years later Inspector Alan Banks is investigating the murder of a freelance music journalist who was working on a feature about the Mad Hatters for Mojo magazine This is not the first time that the Mad Hatters now aging rock superstars have been brushed by tragedy and Banks has to delve into the past to find out exactly what hornet's nest the journalist inadvertently stirred up

A Piece of My Heart Shirley Lauro,1992 Suggested by the book *A Piece of my heart* compiled by Keith Walker *A Piece of My Heart* Richard Ford,2012-06-04 Robard Hewes has driven across the country in search of a woman named Buena who twelve years ago infused him with a feeling that has now turned into obsession Sam Newel has travelled from Chicago seeking the missing piece of himself They both find themselves on an uncharted hunting island in the Mississippi owned by an old man named Lamb When these men converge on this strange land each discovers the thing he s looking for yet triggers a conflagration of inevitable violence in this tense and brutal yet moving tale *A Piece of My Heart* Marlene Clare Grant,2011-12-02 There is no available information at this time *Piece Of My Heart* David Dalton,2009-04-30 In 1972 Stonehill Books published David Dalton s Janis a multimedia extravaganza that incorporated interviews quotes photographs lyrics Rolling Stone Clippings sheet music a record of rapping and singing and prose as wild and moving as Janis s performances *Piece of My Heart* is a reconstruction and revision of that early work one of the first rock n roll books leaving the prose and interviews intact adding dozens of new photos and incorporating a wealth of new material Here is the best possible portrait of the lonely teenager from Port Arthur Texas who took the blues farther than anyone before or since offering revealing glimpses of her on the road backstage with Jerry Lee Lewis kidnapped in Kansas partying with the Grateful Dead the Band Bonnie and Delaney and with her own band Big Brother and the Holding Company But *Piece of My Heart* goes beyond Janis s own story to provide us with a portrait of the Kosmic Blues themselves the self destruction that lies at the heart of the rock n roll myth **A Piece Of My Heart** Jean Harris,2010-04-22 I cannot write directly about myself Because I am still continually learning more about me and who I am I can only write and share some of the experiences that I have had in my life time Hoping that someone else can be motivated and inspired by them You can say that I had a rich childhood I think so My parents had five kids I was the middle child I was expose to nature at an early age Every summer my parents would send me to visit my Grandparents farm about 40 miles out of Houston It was a very large farm with every farm animal and creature it took to complete it In my adulthood after getting married and having children of my own I soon learned that life had many challenges Some might call them ups and downs I call them challenges Because no matter what they must be faced In order to move forward and continue on And not let them over take you After experiencing the death of my 89 year old mother on August 29 2005 I came to the conclusion that I had to let go of all my insecurities and look at life as an experience and a journey I can say that I had never reached this point in life before It is my faith in God that keeps me going on And because I don t believe in a defeated life I strive daily to encourage myself To be creative in my thoughts as well as my everyday living My desire is to motivate my readers through my collection of poems Hoping they can relate themselves with some of the things in their life they might be going through in the present or might undergo in the future My incentive will be that my readers will stay optimistic in any situation My message is Restoration which is a promise from God *Take Another Little Piece of My Heart* Pamela Des Barres,2008 Des Barres shocked the rock world with her memoir *I m With the*
