Piper's Stories Monty Jordan, 2019-07-08 This book was a pleasure for me to write It started as a pen pal project with my nine year old granddaughter so we could stay in touch Well after a couple of

letters back and forth I decided to start writing and sending her Bible stories The letters developed into a collection of eleven Bible stories that a child can understand These stories are taken from the King James Version of the Bible and written as they are stated in the Bible and true to what was given to us by God Although the stories were written so a child could understand I believe that anyone can get something out of this book I believe that it is our duty and responsibility to teach children about the word of God If this book helps in any way to do that with even one child or one adult then the purpose of this collection of Bible stories is complete **Catalog of Copyright Entries** Library of Congress.
