However, members need not be students or college graduates. The club was the first in the United States that gave boys aged as low as 14 the opportunity to learn the principles of the program, and then engaged in meaningful service projects. As the organization's membership, programs, and the financial resources supporting the program grew, the program's membership was limited only to those in the United States and Canada. The club is a national organization that serves students, but whose main focus is the United States. The growth of the program is continuing unabated and should continue to grow.
