Second Chance Father Renee Andrews, 2017-01-01 In this inspirational romance a widower is wooed out of his isolation and into love by a pretty social worker and the special needs child in her care After losing his family Jack Simon moved to the remote Alabama woods to be alone But when an uncommunicative boy appears on his property everything changes Dedicated social worker Elise Ramsey explains the boy is an orphan with autism who lives in a nearby children's home The beautiful woman seems so hopeful about young Cody's kinship with Jack and despite his vows to never be a husband or father again Jack can't help being drawn into both their lives But can the rugged recluse truly open his heart again and chance loving the woman and boy who've come to mean so much to him [Forum](#), 1982

Home on the Ranch: Wyoming Cowboy Ranger Rebecca Winters, 2019-05-07 You Can't Keep a Good Man Down After Wyoming ranger Porter Ewing is injured and left for dead his only priority is fast tracking his recovery and getting back in the saddle He still has a suspect to apprehend However his attitude changes when he meets physical therapist Lily Owens The former champion athlete and her own inspiring story of recovery have completely stolen Porter's heart Suddenly sessions with Lily are the best part of Porter's day and he's ready to make things official Until a break in the case uncovers that Porter's injury wasn't a coincidence A threat from his past has reemerged that poses a threat to Lily and Porter will stop at nothing to protect her even expose his darkest secret

Cowboy is a Verb Richard Collins, 2019-11-06 From the big picture to the smallest detail Richard Collins fashions a rousing memoir about the modern day lives of cowboys and ranchers However *Cowboy is a Verb* is much more than wild horse rides and cattle chases While Collins recounts stories of quirky ranch horses cranky cow critters cow dogs and the people who use and care for them he also paints a rural West struggling to survive the onslaught of relentless suburbanization A born storyteller with a flair for words Collins breathes life into the geology history and interdependency of land water and native and introduced plants and animals He conjures indelible portraits of the hardworking dedicated people he comes to know With both humor and humility he recounts the day to day challenges of ranch life such as how to build a productive herd distribute your cattle evenly across a rough and rocky landscape and establish a grazing system that allows pastures enough time to recover He also intimately recounts a battle over the endangered Gila topminnow and how he and his neighbors worked with university range scientists forest service conservationists and funding agencies to improve their ranches as well as the ecological health of the Redrock Canyon watershed Ranchers who want to stay in the game don't dominate the landscape instead they have to continually study the land and the animals it supports Collins is a keen observer of both He demonstrates that patience resilience and a common sense approach to conservation and range management are what counts combined with an enduring affection for nature its animals and the land *Cowboy is a Verb* is not a romanticized story of cowboy life on the range rather it is a complex story of the complicated work involved with being a rancher in the twenty first century West
