**Rome, Babylon the Great and Europe** Bob Mitchell, 2003      *For Zion's Sake* Paul Richard Wilkinson, 2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology      **Lights and Shadows of Ancient European Mythology, Language and History** Elisabeth Wilson, 1881

India, Italy, and the European War. A sermon [on Esther i. 1, Heb. xiii. 24, Ps. ii. 11]. Charles LEE (Vicar of St. Mary's, Bilston.), 1859      **Millenarianism and Messianism in Early Modern European Culture** J.E. Force, R.H.

Popkin, 2013-04-17 Thanks to the work of legions of scholars the millenarian expectations within large segments of the population in Cromwellian England have been carefully examined The widespread belief that England with its messianic leader 1 Cromwell heralded the millennium is well known Less well examined perhaps has been the cultural conceptions of the role of millenarian and messianic ideas in the long eighteenth century Especially during the stable Hanoverian era until the American and French Revolutions the common place millennial expectations of the English Civil War appeared to recede By the end of the eighteenth century with the Napoleonic wars millenarian views and interpretations underwent a minor renaissance but with nothing like the fervor it is commonly thought of the Puritan era when so many believed that the end was near By the end of the eighteenth century so the official story goes the religious sceptics and deists of Enlightened England such as David Hume had done too well their work of tarring such religious radicalism with the brush of enthusiasm Happily this official interpretation of the events of the early modern period in which scholars have too often taken their cue from writers such as Hume and simply ignored millenarian contexts and expectations in the Age of Reason has undergone a marked shift in the past twenty years      **Millenarianism and Messianism in Early Modern European Culture** Matt

Goldish, R.H. Popkin, J.E. Force, 2001-07-31 The influence of millenarian thinking upon Cromwell's England is well known The cultural and intellectual conceptions of the role of millenarian ideas in the long 18th century when so the official story goes the religious sceptics and deists of Enlightened England effectively tarred such religious radicalism as enthusiasm has been less well examined This volume endeavors to revise this official story and to trace the influence of millenarian ideas in the science politics and everyday life of England and America in the 17th and 18th centuries      *The Coming Battle, and the Appalling National Convulsions Foreshown in Prophecy Immediately to Occur During the Period 1861-67, Etc.
