

A technical drawing of a mechanical assembly, likely a pump or motor, shown in a cross-sectional view. The drawing is oriented horizontally. On the left side, there is a large, curved component, possibly a housing or a part of the pump mechanism. Inside this housing, there are several gears and shafts. A vertical line runs through the center of the assembly, indicating a section cut. To the right of this line, there are two rectangular blocks, possibly representing bearings or supports, with various internal features and dimensions indicated. The drawing is a black and white line drawing, typical of engineering schematics.
