ends chillingly with Bierce s last surviving letter written from Chihuahua Mexico on December 26 1913 which concludes As for me I leave here tomorrow for an unknown destination Bierce was never heard from again The letters have been scrupulously edited from manuscript sources and exhaustively annotated to elucidate obscure historical literary and other references BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Arthurian Legends on Film and Television* Bert Olton,2008-10-23 The Arthurian legends are a crucial part of Western culture With their enduring themes archetypal characters and complex plots it is not surprising that the stories of Camelot should find their way into films and television programs From the moody Excalibur to the looney Knightly Knight Bugs more than 250 entries give complete credits synopses and analyses Included are works based solely on Arthur and his literary origins and works that feature other figures like Galahad Percival and the operatic favorites Tristan and Isolde Also included are animated films parodies like Monty Python s films like Indiana Jones and the Last Crusade with Arthurian themes and television series with Arthurian episodes such as Babylon 5 and MacGyver Operatic and dramatic works recorded for film and television like Camelot are also covered Appendices bibliography and index
