

A Position Paper on Same Sex Marriage

by: Erika Del Rio

Introduction

Same sex marriage is a controversy that is part of the family rules issue and is related to homosexuality and marriage disputes. Same sex marriage is very devise topic which generate a lot of debate. First of all I am confident that homosexuality is inborn behaviour which means that it is not a choice. Either you are not a gay. Second there is a strong argument that marriage is a relation between man and woman for the purpose having gay. On the other hand there are my marriage without children. Therefore I consider the letter argument as nonsense to put up briefly. I am strongly convinced that gay should have the same right to be married couple as anybody else there is no reasonable reason for banning same sex marriage.

In this position paper explain the important about the same sex marriage both of Pro and Con.

Counter Argument

Denying same people the option to marry is discrimination and creates a second class of citizens.

On July 25, 2014 Miami-Dade County Circuit court judge Sarah Zabel ruled Florida's gay married ban unconstitutional and stated that the ban serves only to hurt discriminate to deprive same sex couples and their families of equal dignity to label and treat them as second class citizens and to deem then unworthy of participation in one of the fundamental institutions of an society.

The institution of marriage has traditionally been defined as being between a man and woman in upholding gay marriage bans Kentucky, Michigan, Ohio and Tennessee on Nov.6 2014,6th US District Court of appeals judge Jeffrey S. Sutton wrote that marriage has long been social institution defined by relationship between when and woman. So long defined the tradition is measured in millennia not citizens or decade.

Same sex couples should have access to the same benefits enjoyed by heterosexual married couples.
