Catholicism and the Christian life The Collected Writings of James Leo Garrett Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations A Biblical-Theological Introduction to the New Testament Michael J. Kruger,2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight **Spiritual Leadership** David Spencer Huffstutler,2016-12-14 How should we see the Spirit at work in spiritual leaders today How did the Spirit work through spiritual leaders in the Bible While many books on spiritual leadership look at the culture around us and offer sound advice from biblical principles this study asks Scripture first what the Spirit did through spiritual leaders in the Bible in order to figure out what the Spirit should be doing through spiritual leaders today *The Best Books* William Swan Sonnenschein,1887 **The Potential and Power of Prayer** Chuck Lawless,2022-07 Why is it a struggle to pray Respected professor speaker and pastor Dr Chuck Lawless explores the power of a praying church and how it can transform your ministry Through prayer we have access to the all powerful living God Even so too many of us are tempted to start our days prayerless and feeling alone How can this be We can t afford to be so negligent because whether we realize it or not we all face a high stakes spiritual battle when we step out into our communities In The Potential and Power of Prayer Chuck Lawless illustrates how churches need to take prayer seriously in order to grow explores how Jesus and the early church depended on God through prayer explains how prayer is essential to preparing for spiritual battles and guides church leaders in establishing the priority of prayer and a thriving prayer ministry in their churches God chooses to move among Christians who humbly come to him in prayer who depend on him for strength and guidance Revelation Andrew D. Parker,2017-05-31 Many have tried to understand Revelation but evidently few have actually taken the visions apart to study their chronology This book is part of the results of years of studying Revelation through the Greek not a translation This first book part one of the commentary includes a thorough discussion of the keys necessary for understanding Revelation and the timing of its events The entire commentary will include a new translation of Revelation along with running commentary in what is believed to be a close rendition of Revelation s true chronology Included support for these understandings comes from the Old and New Testaments early Christian writings and ancient Jewish understandings It is the author s belief that without these new findings Christians will not be able to fully understand Revelation and the End Times **Reformed Systematic Theology, Volume 4** Joel Beeke,Paul M. Marton, 2016-08-23 This book was born out of a passion for mentoring disciples for Christ The author has experienced effective mentoring as a follower of Christ The necessity of mentors is imperative in the lives of children youth young adults and of all ages The author desires to see positive encouraging and Spirit led mentoring to take place in churches This book informs the reader regarding biblical historical theological and practical mentoring It examines the similarities and differences between mentoring and discipleship It helps leaders understand the ingredients of effective mentoring by looking at Scripture the role of the Holy Spirit and applications of mentoring This book also helps answer the question of how to make a powerful difference in the lives of individuals by the method of missional mentoring This book will encourage today's servants of the Lord not only to be the hands and feet of Jesus but to mentor others to become missional Missional mentoring under the leading and design of the Holy Spirit will transform lives churches and communities for the glory of God **God Reforms Hearts** Thaddeus Williams, 2021-08-11 Must we be free to truly love Evil is a problem for all Christians When responding to objections that both evil and God can exist many resort to a free will defense where God is not the creator of evil but of human freedom by which evil is possible This response is so pervasive that it is just as often assumed as it is defended But is this answer biblically and philosophically defensible In *God Reforms Hearts* Thaddeus J Williams offers a friendly challenge to the central claim of the free will defense that love is possible only with true or libertarian free will Williams argues that much thinking on free will fails to carve out the necessary distinction between an autonomous will and an unforced will Scripture presents a God who desires relationship and places moral requirements on his often rebellious creatures but does absolute free will follow Moreover God's work of transforming the human heart is more thorough than libertarian freedom allows With clarity precision and charity Williams judges the merits and shortcomings of the relational free will defense while offering a philosophically and biblically robust alternative that draws from theologians of the past to point a way forward *The Untold Story of the New Testament Church [Revised and Expanded]* Frank Viola, 2025-03-04 Experience the New Testament

A Reader's Guide to Contemporary Literature William Swan Sonnenschein, 1896 **Finding List of Books in the Public Library of Cincinnati** Public Library of Cincinnati and Hamilton County, 1884 **The Atonement in Lukan Theology** John Kimbell, 2014-10-02

In the past century of critical scholarship on Luke Acts it has become commonplace to affirm that Luke attaches no direct soteriological value to the death of Jesus More specifically the scholarly consensus affirms that Luke Acts does not present Jesus death as an atonement for sin Rather Luke s soteriology is understood to center upon Jesus resurrection and exaltation as Lord In this careful thematic study of atonement theology in Luke s double work John Kimbell demonstrates that the value Luke attributes to the death of Christ has been underestimated When all the data is considered the death of Christ is given greater direct soteriological significance in the Lukan writings than scholarship has generally acknowledged Specifically the death of Jesus is portrayed by Luke as an atoning death that brings about the forgiveness of sins This book does not deny the presence of other soteriological emphases Nevertheless it convincingly shows that atonement theology plays a fundamental role in Luke s soteriology such that when this aspect is rejected or minimized Luke s presentation of the cross and salvation is significantly distorted Kimbell carefully interacts with the scholarly secondary literature on this subject ensuring that any serious Christian reader will find this work stimulating and useful Detailed exegesis is paired with careful attention to Luke s overall theological purposes The result is that the reader will come away with a clearer understanding of Luke s writings and a deeper appreciation for the meaning of Christ s death **An**
