Re: Welcome a New Resident to the Neighborhood

Dear _____:

Now that you have had time to settled in, I wanted to formally welcome you to {name of neighborhood}. We are so happy that you have chosen us to become your home. I believe that you will love it here. I have been a resident for {#} years and I must say that this place has only grown in beauty and comfort. I have included a list of emergency numbers, a map of the area, and the schedule of the Homeowner's Association meeting. Please enjoy the homemade muffins and keep the plate. If you have any questions, please do not hesitate to contact me.

Sincerely,

NAME

Nine-Tenths of the Law Christian Lund,2021-01-05

An exploration of the relationship between possession and legalization across Indonesia and how people navigate dispossession The old aphorism possession is nine tenths of the law is particularly relevant in Indonesia which has seen a string of regime changes and a shifting legal landscape for property claims Ordinary people struggle to legalize their possessions and claim rights in competition with different branches of government as well as police army and private gangs This book explores the relationship between possession and legalization across Indonesia examining the imaginative and improvisational interpretations of law by which Indonesians navigate dispossession

Reexamining Reentry Rolanda J. West,2016-12-14

Reexamining Reentry takes an in depth look at how and why prisoner reentry programs are developed Furthermore this book explains how having access to these programs or not could potentially stymie the community reintegration of the formerly incarcerated All too often we see the pervasive criminalization of the formerly incarcerated even after serving their sentences and being released into the general public What makes this text different from many others that focus on prisoner reentry is the focus on empowerment strategies for the participant of the program rather than the deficits

experienced by prison populations while attempting to transition This book will show how the policies social labeling and discrimination trauma experienced prior to and during incarceration as well as media interpretation of the population prior to incarceration all work together to further criminalize populations that have paid their respective debts to society
