Assessing the Common Core: What's Gone Wrong--And How to Get Back on Track Robert C. Calfee, Kathleen M. Wilson, 2016-02-02 From distinguished educators this book imagines what our schools could look like if an authentic vision of the Common Core State Standards CCSS were put in place and thoughtfully critiques how and why implementation has faltered The authors outline a curriculum framework that focuses on student based inquiry and the use of formative assessment to monitor and guide student learning They provide workable innovative alternatives to the packaged instructional programs and summative tests that have come to be associated with the English language arts ELA standards Vignettes of diverse schools and districts highlight a range of successful approaches to making the CCSS work

In the Best Interest of Students Kelly Gallagher, 2023-10-10 In his new book In the Best Interest of Students Staying True to What Works in the ELA Classroom teacher and author Kelly Gallagher notes that there are real strengths in the Common Core standards and there are significant weaknesses as well He takes the long view reminding us that standards come and go but good teaching remains grounded in proven practices that sharpen students literacy skills Instead of blindly adhering to the latest standards movement Gallagher suggests Increasing the amount of reading and writing students are doing while giving students more choice around those activities Balancing rigorous high quality literature and non fiction works with student selected titles Encouraging readers to deepen their comprehension by moving beyond the four corners of the text Planning lessons that move beyond Common Core expectations

to help young writers achieve more authenticity through the blending of genres Using modeling to enrich students writing skills in the prewriting drafting and revision stages Resisting the de emphasis of narrative and imaginative reading and writing Amid the frenzy of trying to teach to a new set of standards Kelly Gallagher is a strong voice of reason reminding us that instruction should be anchored around one guiding question What is in the best interest of our students
