The Moving Image as Public Art Annie Dell'Aria, 2021-05-08 This book maps the presence of moving images within the field of public art through encounters with passersby It argues that far from mere distraction or spectacle moving images can produce moments of enchantment that can renew intensify or challenge our everyday engagement with public space and each other These artworks also offer frameworks for understanding how moving images operate in public space how they move viewers and reconfigure the site of the screen Each chapter explores a mode of address that examines how artists and curators leverage the moving image's attentional power to engage audiences create spaces make place and challenge assumptions This book also examines the difficulties and compromises that arise when using urban screens for public art

Art, Space and the City Malcolm Miles, 2005-08-16 This book examines public art outside the normal confines of art criticism and places it within broader contexts of public space and gender by exploring both the aesthetic and political aspects of the medium Along the Way Sandra Bloodworth, William S. Ayres, 2006 The authors conduct a tour through New York's underground museum of contemporary art works commissioned by MTA Arts for Transit for the subway system 200 full color illustrations Inside New York 2008 James R. Williams, 2008-05-27 Bookstores are filled with guides that tell you where to eat where to shop and what to see in New York but can you really rely on their advice In the interest of appealing to everyone these guides recommend everything regardless of whether the food the stores or the activities and events are actually worth your time and money Written by actual New Yorkers who are committed to discovering the best the five boroughs have to offer Inside New York provides a unique portal into our thrilling and occasionally daunting city Compiled by a team of fearless students the guide introduces the neighborhoods and nightlife that make New York truly unforgettable Inside New York's young writers aggressively search for new trends the hippest nightclubs and the best deals They also visit perennial favorites offering fresh perspectives on museums monuments and iconic landmarks Inside NY 2008 begins with an extensive city life section divided into such categories as public transportation finding housing and jobs eating out locating the best hotels and hostels classes and workshops and LGBT events and resources Then it breaks down the attractions nightlife restaurants and shopping of seventeen Manhattan neighborhoods and four all inclusive sections of the Bronx Brooklyn Queens and Staten Island Detailed color maps pinpoint each location **Contemporary Art Underground**

Sandra Bloodworth, Cheryl Hageman, 2024-04-24 A celebration of more than 100 major public art commissions throughout the New York transit system Contemporary Art Underground presents more than 100 permanent projects completed between 2015 and 2023 by MTA Arts Design This ground breaking program of site specific projects by a broad spectrum of well known and emerging contemporary artists has helped to create a sense of character and place at subway and commuter rail stations throughout the MTA system Among the featured artists are Yayoi Kusama Kiki Smith Nick Cave Ann Hamilton

Xenobia Bailey Jim Hodges Alex Katz Sarah Sze and Vik Muniz Of special interest is the discussion of fabricating and transposing the artist's rendering or model into mosaic glass or metal the materials that can survive in the transit environment This is the definitive survey of the latest works of the internationally acclaimed MTA Arts Design collection On view 24 hours a day the collection is seen by more than four million subway riders and commuters daily and has been hailed as New York's Underground Art Museum The collection enlivens stations in all boroughs with a myriad works by major contemporary artists executed in mosaic glass metal and ceramic

The Way to Go, 1983 This publication examines a variety of cases that demonstrate the aesthetic quality of transportation projects These range from the relatively inexpensive painted Gus Bus in Grand Rapids to the large scale project of designing the Montreal Metro The purpose is to develop a fresh perspective on ways the visual appeal of transportation can be identified as a distinct element for consideration and on the degree to which quality design contributes to the economics and function of transportation systems A second purpose is to develop guidance and examples to assist transportation planners and citizens in dealing with these issues The projects presented represent a wide range of costs and circumstances encountered in transportation planning The study shows that the aesthetic benefits provided by quality materials sensitive design careful maintenance and appropriate inclusion of works of art translate directly into increased patronage cost efficiencies and a better public environment
