Perception The Eve Series Volume 3:

Enlightened A. L. Waddington, 2024-06-29 Time stands still cause time can't heal The barrier between Jocelyn Timmons consciousness continues to dissolve as she better understands the two lives she lives and enormity of her newly discovered inherited gift of EVE Essence Voyager Era which allows her to fall asleep on one plane of existence and awaken on another as her soul travels nightly Present day Jocelyn uncovers the vast wonderment of the Victorian era but soon learns that life during then was not as grand for women as she has read in the classics Still she finds comfort in the support of family and friends a bolstering contrast to her overly hectic career oriented family in the twenty first century Her love for Jackson Chandler strengthens over time and becomes the light she so desperately needs as the world she has always known no longer makes sense Yet the closer she is drawn to Jackson by their mutual ability the more strain develops amongst those she loves in 2009 On the other side of Jocelyn's consciousness in 1878 she remains ignorant of EVE Her life is crumbling around her yet she finds herself anxiously awaiting the images that invade her dreams Jocelyn longs to be the woman she portrays in that world yet her jealousy is unbearable Miscommunication betrayal and hidden agendas make trust nearly impossible The clearer the visions become the more she questions the motives of her closest confidants and foregoes revealing the images that plague her perception As her life seems to unravel Jocelyn's two worlds collide and she is enlightened as the pieces start to fall into place But is she strong enough to survive the truth Is Jackson really her destiny And can their love transcend time

Transcendence A. L. Waddington, 2024-06-29 A storm is brewing Several years ago Sidney learned that she like her sister Jocelyn had inherited the gift or curse of EVE the ability to live parallel lives on two separate planes of existence two centuries apart as their soul travels nightly A prospect she has yet to fully embrace Sidney's 21st century life consists of her boyfriend Landon completing medical school and following her mother's footsteps to becoming a doctor She has worked hard and sacrificed much to get where she is and she is proud of all she has accomplished But the actions of her 19th century self threatens to jeopardize it all As the threat of the looming American Civil War darkens her world she is consumed with her limited abilities as a woman Unrest and tension surround her Boston estate as her neighbors speculate what the future holds How can she remain silent in her knowledge when her husband Keifer and all those dear to her will soon be in imminent danger A storm around her is brewing and she feels powerless to stop it

L. Waddington,2024-06-29 Our minds often wander but can our souls Jocelyn Timmons does not believe she is anything special just an ordinary high school senior living an ordinary life full of schoolwork volleyball and friends She s about to find out how wrong she is Jackson Chandler moved into the house across the street His dark wavy hair green eyes and charismatic personality draw everyone to him Everyone but Jocelyn Whenever Jackson gets near Jocelyn she feels ill and dizzy When he touches her she blacks out and has visions of another life in another time As the odd hallucinations evolve and become clearer she feels a strong pull towards the people she sees there Frightened she watches her once stable life begin to crumble around her and she begins to question her own sanity Could it be possible that these episodes are actually her own memories of a life she is living somehow somewhere some when Maybe this is time travel or some other paranormal mysticism Our minds often wander but can our souls **The American School of Empire** Edward Larkin,2016-12-01 Early American artists and political thinkers wrestled with the challenges of forming a cohesive if not coherent culture and political structure to organize the young republic and its diverse peoples The American School of Empire shows how this American idea of empire emerged through a dialogue with British forms of empire becoming foundational to how the US organized its government and providing early Americans with the framework for thinking about the relations between states and the disparate peoples and cultures that defined them Edward Larkin places special emphasis on the forms of the novel and history painting which were crucial vehicles for the articulation of the American vision of empire in the late eighteenth and early nineteenth centuries The Appleton Sisters Series 3-Book Bundle Katie Rose,2014-10-20 The Appleton sisters of Victorian era New York City prove that good things come in threes In the classic historical romance novels A Hint of Mischief and Courting Trouble along with the Christmas novella Mistletoe and Magic beloved author Katie Rose brings these uniquely clever otherworldly women to life Now the whole trilogy is available in one delightful eBook bundle A HINT OF MISCHIEF For the bewitching Jennifer Appleton there is nothing the least bit wicked about holding a s ance She and her charming sisters happen to offer the matrons of Victorian Manhattan a great deal of comfort So it s something of a shock when Gabriel Forester shows up at their door lobbing accusations of fraud and his remarkably compelling gaze at lovely wide eyed Jennifer As passion flares unexpectedly Gabriel and Jennifer must learn to forget the ghostly voices of the past and listen to their beating hearts COURTING TROUBLE No one could accuse the Appleton sisters of embracing tradition Though Winifred Appleton hopes to champion the rights of women by becoming an attorney no law school will take on female students Her only choice is to accept an apprenticeship from Charles Howe and try

to ignore the fiery passion the handsome prosecutor arouses Intrigued by Winifred's spirit Charles plans to propose once she inevitably buckles under the pressure But when the pair are pitted on opposite sides of a contentious murder trial they learn that love is the only argument that matters

MISTLETOE AND MAGIC NOVELLA Blond angelic Penelope Appleton possesses breathtaking looks and a troublesome secret Unlike her sisters Penelope actually does glimpse the future On the eve of her coming out Penelope sees a vision of a rakishly handsome dark haired man who she knows is her destiny She also foretells his death At the next night's Christmas ball the ethereal beauty tries to deny the magic between her and Jared Marton until a perfect kiss dissolves all barriers to sweet surrender But soon a perfect love is challenged by the cold winds of fate

The Soviet-Polish War and its Legacy Peter Whitewood, 2023-09-21 This detailed study traces the history of the Soviet Polish War 1919 20 the first major international clash between the forces of communism and anti communism and the impact this had on Soviet Russia in the years that followed It reflects upon how the Bolsheviks fought not only to defend the fledgling Soviet state but also to bring the revolution to Europe Peter Whitewood shows that while the Red Army's rapid drive to the gates of Warsaw in summer 1920 raised great hopes for world revolution the subsequent collapse of the offensive had a more striking result The Soviet military and political leadership drew the mistaken

conclusion that they had not been defeated by the Polish Army but by the forces of the capitalist world Britain and France who were perceived as having directed the war behind the scenes They were taken aback by the strength of the forces of counterrevolution and convinced they had been overcome by the capitalist powers The Soviet Polish War and its Legacy reveals that in the aftermath of the catastrophe at Warsaw Lenin Stalin and other senior Bolsheviks were convinced that another war against Poland and its capitalist backers was inevitable with this perpetual fear of war shaping the evolution of the early Soviet state It also further encouraged the creation of a centralised and repressive one party state and provided a powerful rationale for the breakneck industrialisation of the Soviet Union at the end of the 1920s The Soviet leadership's central preoccupation in the 1930s was Nazi Germany this book convincingly argues that Bolshevik perceptions of Poland and the capitalist world in the decade before were given as much significance and were ultimately crucial to the rise of Stalinism
