Shields, 2018-10-15 An engrossing biography of a brilliant novelist underappreciated in his own time who became a twenty first century bestseller from the New York Times bestselling author The New Yorker When Stoner was published in 1965 the novel sold only a couple of thousand copies before disappearing with hardly a trace Yet the quietly powerful tale of Midwestern college professor William Stoner whose life becomes a parable of solitude and anguish eventually found an admiring audience in America and especially in Europe The New York Times called Stoner a perfect novel and a host of writers and critics including Colum McCann Julian Barnes Bret Easton Ellis Ian McEwan Emma Straub Ruth Rendell C P Snow and Irving Howe praised its artistry The New Yorker deemed it a masterly portrait of a truly virtuous and dedicated man This biography traces the life of Stoner's author John Williams Charles J Shields follows the whole arc of Williams's life which in many ways paralleled that of his titular character from their shared working class backgrounds to their undistinguished careers in academia Shields vividly recounts Williams's development as an author whose other works include the novels Butcher's Crossing and Augustus for the latter

Williams shared the 1972 National Book Award Shields also reveals the astonishing afterlife of Stoner which garnered new fans with each American reissue and then became a bestseller all over Europe after a Dutch publisher brought out a translation in 2013 Since then Stoner has been published in twenty one countries and sold over a million copies Like Williams Shields know how to tell a good story one that will appeal especially to those interested in the ins and outs of the publishing industry and the ups and downs of a writer s life Los Angeles Review of Books

[In quest of the perfect book : Reminiscences & reflections of a bookman](#) William Dana Orcutt,2025-03-02 In In Quest of the Perfect Book Reminiscences Reflections of a Bookman William Dana Orcutt eloquently explores the profound relationship between literature and the reader Through a series of personal anecdotes and thoughtful reflections Orcutt delves into the essence of book collecting and the emotional connection individuals develop with their favorite volumes The literary style combines a nostalgic tone with insightful observations

engaging readers in a contemplative dialogue about the significance of books in one's life. It serves as both a memoir and a critique of literary culture at the turn of the 20th century reflecting the burgeoning interest in bibliophilia and the romanticism surrounding physical books during a time increasingly influenced by modern technology. As a prominent bibliophile and bookman, Orcutt's extensive experience in the world of literature shaped his unique perspective. His years as a librarian and rare book expert provided him with intimate access to the stories behind countless manuscripts and printed works. Moreover, his own journey in the pursuit of the perfect book often involved navigating the delicate balance between literary passion and practical considerations in book collecting. This book is a must read for avid readers, bibliophiles, and anyone who appreciates the magic of books. Orcutt's intimate storytelling and rich insights are sure to resonate with anyone who has ever sought out a cherished volume or pondered their own relationship with the written word.

*How to Draw a Novel* Martin Solares, 2023-12-12 Finalist for the Big Other Book Award for Translation. From the acclaimed author of *The Black Minutes* and *Don't Send Flowers*, *How to Draw a Novel* is an ingenious and visually stimulating exploration of narrative and craft from master storyteller and former publisher Martín Solares. In this finely wrought collection of essays, Martín Solares examines the novel in all its forms, exploring the conventions of structure, the novel as a house that one must build brick by brick, and the objects and characters that build out the world of the novel in unique and complex ways. With poetic, graceful prose that reflects the power of fascination with literary fiction, Solares uses line drawings to realize the ebb and flow of the novel: with *Moby-Dick* spiraling across the page while *Dracula* takes the form of an erratic heartbeat. A novelist, occasional scholar, and former acquiring editor in Mexican publishing, Solares breaks out of the Anglo-American dominated canon of many craft books ranging across Latin and South America as well. He considers how writers invent or discover their characters, the importance of place or not in the novel, and the myriad of forms the novel may take. Solares' passion for the form is obvious, and his insights into the construction of the novel are as profound as they are accessible. This is a writer's book and an important contribution to the study of craft and fiction.

**Almost Perfect** Alice Adams, 2011-06-08 No other writer in recent memory has called to mind so clearly the work of F. Scott Fitzgerald. *The Washington Post*: In *Almost Perfect*, Alice Adams brilliantly and movingly explores what happens to love when the beloved is transformed into someone unrecognizable. They were an almost perfect couple. They met when Stella Blake was not yet a famous writer but Richard Fallon is an artist known by everyone, charming, talented, he loved and hated, adored and admired. And they fall in love when she interviews him for a magazine. But then Stella watches as the man she adores begins a steady and frightening descent into darkness, even madness.
