

Part 1: Introduction

Joan, Eli, Gina, Isaac and Kevin made a collaborative effort to create the picture here for a math art project.

The requirements for the project were to create multiple types of triangles including the following attributes:

- Scalene
- Isosceles
- Acute
- Obtuse
- Right
- at least one pair of triangles that was Congruent.

The project also required proof or evidence that each of their triangles did in fact include all the appropriate characteristics. The project is due soon and they need help completing the proof part of their work.

To help complete the work on time, the group divided the work into three parts. They need to describe which attributes were used and
