Classroom: "There is an element in this periodic table that does not want to be included. Actually, this element is 'misogynistic.' He has offered to double your class attendance, has provided many extra assignments, and if you add his, he'll take you out of school for good. However, I've observed he has no respect for himself, nor for his fellow students, nor for the teachers and administrators who work for him. Therefore, providing the correct identity for each class member will ultimately help you find this element. This design was created with much care, as is necessary for you to find him. The, if you make just one mistake it is all effort all time and information that follows. There's something I'm preparing for to get away.
