debut that combines the deep emotion of *The House on Mango Street* with uniquely creative storytelling painting a story of survival and healing. Unfolding in a series of vignettes, *A Little Piece of Sky* introduces an endearing new novelist and a truly unforgettable main character, Song Byrd, a young girl who keenly reports on the world around her. She is African American in a mostly Hispanic neighborhood and the unwanted product of an adulterous affair. While she is poor in the material sense, Song is extraordinarily rich in spirit, and it is that inner strength which saves her. In piercingly insightful prose, Nicole Bailey Williams takes readers on Song's journey through life as she struggles with feeling like an outsider and intense guilt over her mother's murder. Behind it all, places of pure joy, dreaming the hurt away, and glorious little pieces of sky shine through Song's tales, and Bailey Williams's narrative gift are truly words to treasure.

Vega's Piece of the Sky Jennifer

Torres, 2024-06-11 A meteorite comes crashing down on the lives of three middle schoolers, changing everything they know about family, friendships, and community in this charming and heartfelt novel. The space rock is just the latest thing to land uninvited in Vega Lucero's road-stop hometown. But when she discovers how much a chunk of the meteorite might be worth, she realizes it's exactly the treasure she's been hoping to find and maybe a way to convince her mom not to sell the family store to big city developers to help pay for her grandpa Tata's medical expenses. Determined to find more pieces of the sky somewhere in the perilous desert wilderness, stubbornly independent Vega must set aside her distrust of outsiders to team up with Jasper, a would-be rival, and her own tag-along cousin, Mila, on an overnight adventure to find more meteorites before the professional hunters who have descended on Date City do. But along the way, she realizes that she's not the only one with the weight of the world on her shoulders. Jasper and Mila have secrets and worries of their own that have brought them on this journey. Together, this ragtag group will battle against coyotes, a flood, and scorpions. But what they will ultimately discover is that no treasure is big enough to prevent unwelcome change. Only family and friends can help weather the unexpected that life brings.

A Piece of Blue Sky Darrel E. Berg, 2016-10-27 *A Piece of Blue Sky: The Dynamics of Faith* turns to Abraham the

patriarch of the faith to find both encouragement and challenge In a classic series of sermons on this figure Darrel E Berg explores the dynamics of faith Seeking the parallels between Abrahams path and the course facing an individual seeking to live by faith in todays world he offers several key guiding insights The life of faith is like a pendulum that swings between doubt and trust The person who follows God in faith will face times of sacrifice God desires for individuals by his grace to accept their own identities and to embrace their places in Gods plans A key message of A Piece of Blue Sky is clear Christians lives are not necessarily free from tension or exempt from strife Its encouragement is equally unambiguous despite the swings between enthrallment and discouragement with Gods calling Christians can remain committed like Abraham to remain obedient to God and to follow his guidance for living In A Piece of Blue Sky The Dynamic of Faith one hears clearly that just as Abraham never found all that he sought on his own journey through life Christians today can continue to seek the promised land to which God calls them Even when that journey leads to places where clouds of adversity hang over the life of faith Abrahams example reminds them that God always holds out the promise of a piece of blue sky
