Pierre Et Jean:

Pierre et Jean Guy de Maupassant,2001-11-01 Monsieur de Maupassant has never before been so clever Henry James Henry James s admiration for this masterly little novel has been echoed throughout the twentieth century by readers of Pierre et Jean It marked a turning point in the development of French fiction situated as it is between traditional social realism and the psychological novel It is recognized as a classic study of filial jealousy triggered by one of the two brothers of its title finding himself the sole inheritor of the fortune of his mother s former lover Pierre et Jean is set in Le Havre in the 1880s and is notable for its evocation of the Normandy coastline captured by the Impressionists But Maupassant s achievement is to have woven from this simple plot in a maritime context a brilliantly crafted exploration of the complexities at the heart of family life

Pierre and Jean Guy de Maupassant,2017-05-26 Pierre and Jean are the sons of G r me Roland a jeweller who has retired to Le Havre and his wife Louise Pierre works as a doctor and Jean is a lawyer It recounts the story of a middle class French family whose lives are changed when L on Mar chal a deceased family friend leaves his inheritance to Jean This provokes Pierre to doubt the fidelity of his mother and the legitimacy of his brother Pierre discovers that his theories about his brother s illegitimacy are correct when he finds and reads old letters that his mother and L on Marechal had been sending to each other This investigation sparks violent reactions in Pierre whose external appearance vis a vis his mother visibly changes In his anguish most notably shown during family meals he tortures her with allusions to the past that he has now uncovered Meanwhile Jean s career and love life improve over the course of the novel while Pierre s life gets significantly worse Provoked by his brother s accusations of jealousy Pierre reveals to Jean what he has learned However unlike Pierre Jean offers his mother love and protection The novel closes with Pierre s departure on an oceanliner Thus the novel is organised around the unwelcome appearance of a truth Jean s illegitimacy its suppression for the sake of family continuity and the acquisition of wealth and the expulsion from the family of the legitimate son
