Pilate Et Jeacutesus:

Gesta Pilati, 1880 *Pontius Pilate* Roger Caillois, 2006 If you thought you knew all there is to know about Pontius Pilate and Jesus this little book has some surprises for you In this greatest story never told Pontius Pilate finally gets a chance to tell his side of the story filling in what the Bible left out For someone who made one of the most momentous decisions of all time we know almost nothing about him Who was this man who sentenced Jesus to death What went through his mind as he weighed the alternatives Was he a villain or a victim of circumstance If we can imagine Pilate as our contemporary what would we have done in his place Written by one of France's great men of letters of the twentieth century *Pontius Pilate* is a highly provocative and psychologically gripping novel that reconstructs Pilate's state of mind in deciding to convict Jesus Taking his place alongside the authors of other such sacred fantasies as Nikos Kazantzakis *The Last Temptation of Christ* and Dan Brown *The Da Vinci Code* the surrealist Roger Caillois conjures countless plausible dramas of the what ifs that might have played out inside Pilate's mind during the final twenty four hours before he decided Jesus's fate Transgressive disconcerting and original *Pontius Pilate* provides a fascinating opportunity to contemplate the mind of a man who with one decision arguably changed the course of human history It explores the interplay of politics and conscience fundamentalism and cosmopolitanism and fanaticism and pragmatism themes even more compelling today than they were forty some years ago when the book was originally published With an introduction by the religion scholar Ivan Strenski this new American edition of Charles Lam Markmann's original English translation published in 1963 and long since out of print makes available once again for the English language reading public a remarkable work of intelligence wit and imagination *Pontius Pilate* offers an engaging and climactic read for anyone interested in the interplay of religion and culture and in the mysteries of this pinnacle moment in the biblical narrative *Pontius Pilate, Judas, and Jesus* Amadeo D'Adamo (Jr.), 2015

Pontius Pilate in History and Interpretation Helen K. Bond, 1998-11-19 This study reconstructs the life of Pontius Pilate the Roman governor responsible for the execution of Jesus The first section provides the historical and archaeological background The following chapters look at six first century authors Philo Josephus and the four gospel writers Each chapter asks how Pilate is being used as a literary character in each work why each author describes Pilate in a different way and what this tells us about the relationship between each author and the Roman state *Pilate* Ann Wroe, 1999 The facts about Pontius Pilate are very few We don't know when he was born or when he died We know nothing of his career before he became Governor of Judea and nothing of what happened to him after he was recalled by Tiberius Some say he came from Rome others from Spain or Germany Everyone from the evangelists to the writers of the medieval mystery plays has his own Pilate each symbolic of something each a projection of his own ideas and anxieties This extraordinary book is all about our Pilates real half real and invented Some are familiar some surprising They have depths and contrasts that are unexpected They do remarkable things Among these surprises perhaps are the glimpses we get of a man actually walking on a marble

floor in Caesarea feeling his shoes pinch clicking his fingers for a slave while the clouds of lasting infamy gather over his head

Gesta Pilati : the reports, letters and acts of Pontius Pilate : being the official records of Pilate as made to Tiberius Caesar, emperor of Rome, concerning the apprehension, trial and crucifixion of Jesus of Nazareth : with introduction and notes William Overton Clough, 1887

eluded Biblical scholars and historians As the Roman prefect in Judaea during Christ s life and death Pilate played a central role in the ultimate crucifixion of Jesus but he is best remembered for literally washing his hands as a symbol that he did not consider the blood to be on his hands Aside from being in the middle of one of the Bible s most important dramas mystery surrounds Pilate and as a result he has been portrayed in a number of different and contradictory ways Pilate has been viewed as an ineffective and weak ruler by some an iron fisted ruler by others and a completely oblivious one by still others Other than being mentioned in the Gospels a few other works in the non canonical texts that comprise the apocrypha and the works of a few ancient Roman historians Pilate the figure has mostly been lost to history even as his name has remained universally known Legends of the Bible The Life and Legacy of Pontius Pilate discusses the facts myths and legends surrounding the life of Pilate examining the Bible and historical record to piece together his life and legacy in an attempt to separate fact from fiction Along with pictures and a bibliography you will learn about Pontius Pilate like you never have before in no time at all Pilate and Jesus Giorgio Agamben,2015-02-04 Pontius Pilate is one of the most enigmatic figures in Christian theology The only non Christian to be named in the Nicene Creed he is presented as a cruel colonial overseer in secular accounts as a conflicted judge convinced of Jesus s innocence in the Gospels and as either a pious Christian or a virtual demon in later Christian writings This book takes Pilate s role in the trial of Jesus as a starting point for investigating the function of legal judgment in Western society and the ways that such judgment requires us to adjudicate the competing claims of the eternal and the historical Coming just as Agamben is bringing his decades long Homo Sacer project to an end Pilate and Jesus sheds considerable light on what is at stake in that series as a whole At the same time it stands on its own perhaps more than any of the author s recent works It thus serves as a perfect starting place for readers who are curious about Agamben s approach but do not know where to begin **Gesta Pilati** ,2012
