Whirlwind 10s over and around the mountainous Malayan jungle is recorded here with first hand authenticity Setting this journey in context Annett fills out the history of the wider conflict in which the boys were embroiled The Far East colonial tensions which bred antagonism and ultimately led to the conflict are detailed as are the cross border raids and riots which bred a fever of revolt Much is written already on the Borneo conflict a lot of it dealing with the politics of the situation This book swoops its focus on the young men who were called upon to fly over such confusion far away from home It is their daily adventures camaraderie and learning trajectory which we are faced with All the excitement of the Aviator s adrenalin ride is translated into eloquent prose strengthened by the kind of confident delivery that only a man involved in such proceedings could achieve
