Myers,2022-08-25 Jason A Myers reconsiders the meaning and context of the phrase the obedience of faith in Rom 1:5 and how it contributes to the theme of obedience in Romans In contrast to previous studies that have nearly exclusively focused on the obedience language in light of the Hebrew Bible and Second Temple literature Myers instead investigates how this language functioned within the Greco Roman world particularly in the discourse of the Roman Empire By studying both the Greco Roman contexts and

the use of obedience language during the Empire Myers sheds fresh light on the meaning of the obedience of faith and concludes that such examination helps contemporary readers understand how Gentiles in Paul's audience would have heard and received the terms and images relating to obedience In addition he argues that Paul's use of obedience language both at the beginning and end of Romans 1:5-15:18 serves as rhetorical bookends and signals a theme that is central to Paul's purpose in Romans and integral to his calling as an apostle to the Gentiles Study and Teaching Guide: The History of the Ancient World Julia Kaziewicz, 2013-11-10 A curriculum guide to accompany The History of the Ancient World From the Earliest Accounts to the Fall of Rome by Susan Wise Bauer Susan Wise Bauer's narrative world history series is widely used in advanced high school history classes as well as by home educating parents The Study and Teaching Guide designed for use by both parents and teachers provides a full curriculum with study questions and answers critical thinking assignments essay topics instructor rubrics and test forms Explanations for answers and teaching tips are also included The Study and Teaching Guide designed by historian and teacher Julia Kaziewicz in cooperation with Susan Wise Bauer makes The History of the Ancient World recommended for high school study in The Well Trained Mind A Guide to Classical Education at Home even more accessible to educators and parents alike
