There Is Always Room for One More Blessing Septimus Barrock, 2020-06-22 *There Is Always Room For One More Blessing* builds on the notion that it is too often the case where some people to their detriment insist on remembering the things that are worth forgetting while forgetting the things that are worth remembering This scenario sets up a condition indicating a degree of confusion and the need to embrace a mental blueprint as a traveling companion through the ups and downs of life This book addresses this reality by providing a varied set of original and inspirational quotes that the author proffers as guidelines for establishing a mental context for daily living It is written to give the reader a sense of purpose and clarity in deciding how to find that place where consciousness and confidence converge Each quote engages the reader s sense of introspection and forces him to find meaning in every experience
