As Long As I Hope to Live Claudia Carli, 2021-06-24 An extraordinary book vivid and heart breaking The Jewish Chronicle Through the discovery of a precious friendship album which belonged to 12 year old Alie a Jewish schoolgirl in Amsterdam Claudia Carli has traced and preserved the lives of an entire class of girls most of whom did not survive the War Alie and her friends are brought touchingly and vividly to life along with their writings in this extraordinary book Their everyday hopes pleasures and longings are offset by the constant fear of a knock on the door a missing friend from class a family member taken away Alie and her mother were to die in Sobibor in 1943 Alie's sister Gretha survived Auschwitz and kept her promise to her sister to preserve the friendship album so long as she hoped to live This book will sit alongside Anne Frank's diary and The Cutout Girl as a unique window into occupied Amsterdam and the girls who will now never be forgotten **Ischaemic Heart Disease** J.H. de Haas, H.C. Hemker, H.A. Snellen, 2012-12-06 The Boerhaave Courses in Cardiology have been held once or twice a year since 1955 For the greater part they were meant for specialists in Cardiology Pediatrics and Internal Medicine who wished to hear about recent advances in Cardiology and in its anatomical and physical basis For some time the courses reflected mostly the work in Leiden especially on congenital heart disease but soon the highly valuable cooperation of other centres was obtained on subjects in which they had more experience In later years speakers from abroad were also invited and they contributed greatly to the wider scope of the courses It was thus possible to organize detailed discussions on special subjects by panels of experts for an audience of interested clinical specialists General reviews were also given for widely varying groups including general practitioners and health officers The special

courses were usually given in English and were international in character while the general courses were given in Dutch This book reports on a course that united both trends It was held entirely in English mainly because it was combined with a meeting organized by the Dutch Heart Association and because of the support given by the Secretary of Health who opened this meeting personally and by the European branch of the World Health Organization which was represented by Dr Pisa
