Jaffe, Stephen A. Ross, Bradford D. Jordan, Randolph Westerfield, 2016-03 This new edition sees updated discussion on current trends such as ethics and risk as well new Real World Insight boxes which provide real life examples of corporate finance in practice Understanding and Application Example boxes in every chapter provide hypothetical examples to illustrate theoretical concepts Exam questions designed to take 45 minutes and test you on material learned in a more formal exam style are also included Fundamentals of Corporate Finance Stephen A. Ross, Randolph Westerfield, Bradford D. Jordan, 2008 The best selling Fundamentals of Corporate Finance FCF is written with one strongly held principle that corporate finance should be developed and taught in terms of a few integrated powerful ideas As such there are three basic themes that are the central focus of the book 1 An emphasis on intuition underlying ideas are discussed in general terms and then by way of examples that illustrate in more concrete terms how a financial manager might proceed in a given situation 2 A unified valuation approach net present value NPV is treated as the basic concept underlying corporate finance Every subject covered is firmly rooted in valuation and care is taken to explain how particular decisions have valuation effects 3 A managerial focus the authors emphasize the role of the financial manager as decision maker and they stress the need for managerial input and judgment The Eighth Edition continues the tradition of excellence that has earned Fundamentals of

Corporate Finance its status as market leader Every chapter has been updated to provide the most current examples that reflect corporate finance in today's world The supplements package has also been updated and improved From a new computerized test bank that is easier than ever to use to new narrated PowerPoint for students to new interactive learning modules student and instructor support has never been stronger There is also an optional exciting new web based program called McGraw Hill's Homework Manager that will help your students learn corporate finance by duplicating problems from each chapter in the textbook and by providing automatic grading and feedback to both students and instructors

Essentials of Corporate Finance Stephen A. Ross, Randolph W. Westerfield, Bradford D. Jordan, 2023 We designed Essentials of Corporate Finance to be as flexible and modular as possible There are a total of nine parts and in broad terms the instructor is free to decide the particular sequence Further within each part the first chapter generally contains an overview and survey Thus when time is limited subsequent chapters can be omitted Finally the sections placed early in each chapter are generally the most important and later sections frequently can be omitted without loss of continuity For these reasons the instructor has great control over the topics covered the sequence in which they are covered and the depth of coverage

Modern Financial Management Stephen A. Ross, 2007 Corporate Finance by Ross Westerfield and Jaffe is a popular textbook that emphasizes the modern fundamentals of the theory of finance while providing contemporary examples to make the theory come to life The authors aim to present corporate finance as the working of a small number of integrated and powerful intuitions rather than a collection of unrelated topics They develop the central concepts of modern finance arbitrage net present value efficient markets agency theory options and the trade off between risk and return and use them to explain corporate finance with a balance of theory and application The well respected author team is known for their clear accessible presentation of material that makes this text an excellent teaching tool Brad Jordan known for his successful work on the RWJ Fundamentals and Essentials books contributed to this edition His influence will be seen particularly in the writing style with smoother coverage of topics and the increased quality in the problem material
