Ross W Greene Book:

Lost at School Ross W. Greene, 2008-10-21 From a distinguished clinician pioneer in working with behaviorally challenging kids and author of the acclaimed *The Explosive Child* comes a groundbreaking approach for understanding and helping these kids and transforming school discipline Frequent visits to the principal's office Detentions Suspensions Expulsions These are the established tools of school discipline for kids who don't abide by school rules have a hard time getting along with other kids don't seem to respect authority don't seem interested in learning and are disrupting the learning of their classmates But there's a big problem with these strategies They are ineffective for most of the students to whom they are applied It's time for a change in course Here Dr Ross W Greene presents an enlightened clear cut and practical alternative Relying on research from the neurosciences Dr Greene offers a new conceptual framework for understanding the difficulties of kids with behavioral challenges and explains why traditional discipline isn't effective at addressing these difficulties Emphasizing the revolutionarily simple and positive notion that kids do well if they can he persuasively argues that kids with behavioral challenges are not attention seeking manipulative limit testing coercive or unmotivated but that they lack the skills to behave adaptively And when adults recognize the true factors underlying difficult behavior and teach kids the skills in increments they can handle the results are astounding The kids overcome their obstacles the frustration of teachers parents and classmates diminishes and the well being and learning of all students are enhanced In *Lost at School* Dr Greene describes how his road tested evidence based approach called Collaborative Problem Solving can help challenging kids at school His lively compelling narrative includes tools to identify the triggers and lagging skills underlying challenging behavior explicit guidance on how to radically improve interactions with challenging kids along with many examples showing how it's done dialogues Q & A's and the story which runs through the book of one child and his teachers parents and school practical guidance for successful planning and collaboration among teachers parents administrations and kids Backed by years of experience and research and written with a powerful sense of hope and achievable change *Lost at School* gives teachers and parents the realistic strategies and information to impact the classroom experience of every challenging kid

Raising Human Beings Ross W. Greene, 2017-08-15 Here a renowned child psychologist explains how to cultivate a better parent child relationship while also nurturing empathy honesty resilience and independence Greene makes a powerful case for rethinking typical approaches to parenting and disciplining children

Lost and Found Ross W. Greene, 2016-03-28 Implement a more constructive approach to difficult students *Lost and Found* is a follow up to Dr Ross Greene's landmark works *The Explosive Child* and *Lost at School* providing educators with highly practical explicit guidance on implementing his Collaborative Proactive Solutions CPS Problem Solving model with behaviorally challenging students While the first two books described Dr Greene's positive constructive approach and described implementation on a macro level this useful guide provides the details of hands on CPS implementation by those

who interact with these children every day Readers will learn how to incorporate students input in understanding the factors making it difficult for them to meet expectations and in generating mutually satisfactory solutions Specific strategies sample dialogues and time tested advice help educators implement these techniques immediately The groundbreaking CPS approach has been a revelation for parents and educators of behaviorally challenging children This book gives educators the concrete guidance they need to immediately begin working more effectively with these students Implement CPS one on one or with an entire class Work collaboratively with students to solve problems Study sample dialogues of CPS in action Change the way difficult students are treated The discipline systems used in K 12 schools are obsolete and aren t working for the kids to whom they re most often applied those with behavioral challenges Lost and Found provides a roadmap to a different paradigm helping educators radically transform the way they go about helping their most challenging students

The Explosive Child Ross W. Greene, 2005 Children who suffer intense temper outbursts extreme noncompliance and verbal and physical aggression are not seen as wilfully disobedient by Dr Greene Rather he provides a compassionate practical approach for parents

The Explosive Child Updated and Revised Edition Ross W. Greene, 2021-08-17 A groundbreaking approach to understanding and parenting children who frequently exhibit severe fits of temper and other intractable behaviors from a distinguished clinician and pioneer in this field What s an explosive child A child who responds to routine problems with extreme frustration crying screaming swearing kicking hitting biting spitting destroying property and worse A child whose frequent severe outbursts leave his or her parents feeling frustrated scared worried and desperate for help Most of these parents have tried everything reasoning explaining punishing sticker charts therapy medication but to no avail They can t figure out why their child acts the way he or she does they wonder why the strategies that work for other kids don t work for theirs and they don t know what to do instead Dr Ross Greene a distinguished clinician and pioneer in the treatment of kids with social emotional and behavioral challenges has worked with thousands of explosive children and he has good news these kids aren t attention seeking manipulative or unmotivated and their parents aren t passive permissive pushovers Rather explosive kids are lacking some crucial skills in the domains of flexibility adaptability frustration tolerance and problem solving and they require a different approach to parenting Throughout this compassionate insightful and practical book Dr Greene provides a new conceptual framework for understanding their difficulties based on research in the neurosciences He explains why traditional parenting and treatment often don t work with these children and he describes what to do instead Instead of relying on rewarding and punishing Dr Greene s Collaborative Problem Solving model promotes working with explosive children to solve the problems that precipitate explosive episodes and teaching these kids the skills they lack

Summary of The Explosive Child Abbey Beathan, 2019-06-10 The Explosive Child A New Approach for Understanding and Parenting Easily Frustrated Chronically Inflexible Children by Ross W Greene PhD Book Summary Abbey Beathan Disclaimer This is NOT the original book Learn how to deal with chronically inflexible children with the best

approach possible For children who respond to regular problems with extreme frustration which manifests in crying screaming biting hitting and worse Those kids are not impossible chlds they can be soothed but you need to know the real reason why they behave that way If you are thinking that it s because they are trying to seek attention or get what they want you re wrong In this book you ll find the correct answer and learn how to use that knowledge in order to approach your explosive children Note This summary is wholly written and published by Abbey Beathan It is not affiliated with the original author in any way Behaviorally challenging kids are challenging because they re lacking the skills to not be challenging Ross W Greene Dr Ross Greene has treated thousands of explosive children and knows very well the true reason behind their behaviour It s not because kids are seeking attention and it s not because their parents are pushovers What he discovered is that explosive children are lacking of crucial skills that are able to regulate frustration Because they are completely different from other children they also need a different approach Luckily Dr Greene will reveal it to you in this book Dr Ross Greene provides a new mentality for parents in order for them to understand their explosive child and properly communicate with him P S The Explosive Child is an extremely sincere book that will open your eyes to the inner world of explosive children and give helpless parents hope again P P S It was Albert Einstein who famously said that once you stop learning you start dying It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world Abbey Beathan s mission is to bring across amazing golden nuggets in amazing books through our summaries Our vision is to make reading non fiction fun dynamic and captivating Ready To Be A Part Of Our Vision Mission Scroll Up Now and Click on the Buy now with 1 Click Button to Get Your Copy Why Abbey Beathan s Summaries How Can Abbey Beathan Serve You Amazing Refresher if you ve read the original book before Priceless Checklist in case you missed out any crucial lessons details Perfect Choice if you re interested in the original book but never read it before Disclaimer Once Again This book is meant for a great companionship of the original book or to simply get the gist of the original book One of the greatest and most powerful gift in life is the gift of knowledge The way of success is the way of continuous pursuit of knowledge Abbey Beathan
