Rotting Frontier Revelations:

Rotting Frontier Dave Atwell, 2014-12-10 You're bitten You're scared but feel fine Then the people around you begin to smell sweeter They smell tasty You find yourself passing on steak and potatoes Only one meal will satisfy the urge human flesh So you commit the ultimate sin and you feed Suddenly you feel better A week later the urge is there again You commit the heinous act again and your cognizance returns As long as you feed you can carry on normally But if your moral standard keeps you from feeding the urge gets stronger People smell sweeter People smell tastier After a week you begin to twitch and your thinking is not sound Two weeks in your speech is gone your muscles atrophy and you're a drooling mess If you make it three weeks you're just a snarling shambling animal driven by the instinct to feed You have the Hunger Much has changed since the Huttons were stranded in Vatt's Crossing With the defeat of one enemy comes the birth of another As the group of survivors try to cope and overcome the constant misfortune that the Hunger causes the town of Hawkins is raided by a rogue group of biters who have organized under one name and one leader After losing nearly half of their numbers the survivors of Vatt's Crossing have little time to mourn Outlaws biters herds of rotters and visits from unwanted guests vie to destroy the group if they don't destroy themselves from within first The second episode of this survival horror tale continues as secrets are uncovered and more blood soaks the plains

Revelation Space Alastair Reynolds, 2002-05-28 The highly acclaimed first novel in the Revelation Space universe a debut that has redefined the space opera with a staggering journey across vast gulfs of time and space to confront the very nature of reality itself A TOUR DE FORCE RAVISHINGLY INVENTIVE Publishers Weekly Nine hundred thousand years ago something annihilated the Amarantin civilization just as it was on the verge of discovering space flight Now one scientist Dan Sylveste will stop at nothing to solve the Amarantin riddle before ancient history repeats itself With no other resources at his disposal Sylveste forges a dangerous alliance with the cyborg crew of the starship Nostalgia for Infinity But as he closes in on the secret a killer closes in on him Because the Amarantins were destroyed for a reason and if that reason is uncovered the universe and reality itself could be irrevocably altered

Revelation Countdown Cris Mazza, 1993 A collection of stories by award-winning California writer Cris Mazza that reveal the open road to be not romanticized freedom but an unsettling loss of control While in many ways reaffirming the mythic dimension of being on the road romanticized in American pop and folk culture Revelation Countdown also subtly undermines that view These stories project onto the open road not the nirvana of personal freedom but rather a type of freedom more closely resembling loss of control Being in constant motion and passing through new environments destabilizes life casts it out of phase heightens perception and skews reactions Every little problem is magnified to overwhelming dimension Events segue from slow motion to fast forward Background noises intrude causing perpetual wee hour insomnia Imagination flourishes often as an enemy People suddenly discover that they never really understood their travel companions The formerly stable line of their lives veers off course In such an atmosphere the title Revelation
