Guanxi And Business (2nd Edition) Yadong Luo, 2007-02-27 Guanxi or interpersonal relationships is one of the major dynamics of Chinese society. A pervasive part of the Chinese business world for the last few centuries it binds literally millions of Chinese firms into a social and business web. Any business in this society including local firms and foreign investors and marketers inevitably faces guanxi dynamics. In China's new fast paced business environment guanxi has been more entrenched than

ever heavily influencing Chinese social behavior and business practice However as in other emerging economies corruption in China is becoming more rampant which makes guanxi and corruption often intermingled As such business executives need to place greater caution today in the practice and process of guanxi development and utilization Due to the growing academic and practical interest in guanxi this second edition provides a timely update to the systematic and vigorous exploration of the various social economic cultural and business issues relating to the complex concept and practice of guanxi
