

WELCOME SPEECH

Distinguished guests,
Ladies and Gentlemen,

Let me to extend a sincere welcome to the India IT Show 2015, an international business networking event. This event, that brings together Policymakers, Government officials, Corporate Leaders and Academia Members from all over the world, is an excellent opportunity to discuss emerging issues on ICTs, exchange views on existing challenges and further development perspectives in a global technological market as well as to get acquainted with the latest ICT products and solutions.

I want to take this opportunity to inform you that ICT sector in Armenia has recorded significant progress in the recent decades. The Government of Armenia has acknowledged that the development of ICT is the key factor for increasing country competitiveness and productivity and to create a knowledge economy. Today ICT sector is one of the most developed sectors of Armenian economy, and Armenian Government, jointly with private sector, continues its efforts towards further development of this sector in Armenia. Armenian ICT sector doesn't miss out from the development trends of global economy, and our ICT companies continue providing modern, complete and complex solutions for global markets.

The availability of high-qualified ICT workforce in Armenia stimulated a number of multinational companies to open their branches in Armenia and actively cooperate with us in this sphere. Among them are such companies as Microsoft, VM Ware, Synopsys, Mentor Graphics, D-Link, IBM, Oracle, National Instruments etc. At the same time, we have several companies, such as Monitis Armenia, PicsArt, etc., which successfully present their solutions in global markets and involve large foreign investments.

The Olympic Dream Cynthia Holzschuher, 1997-08 In 1951 the University of San Francisco football team The Dons went undefeated and untied Yet despite being among the best college football teams of all time the squad was not invited to play in a post season bowl game because two of its players were African American The team was offered the chance to compete without the players but they unanimously refused on principle They were the magnificent eleven that no

one had ever heard of The team exhibited a roster of players and personnel that read like a who's who of gridiron heroes This 51 team produced nine future NFL players five made it to the Pro Bowl and three of those five were inducted into the Hall of Fame the most ever from a single college team Undeclared Untied and Uninvited goes behind the scenes to explore the successes and challenges as well as the unpredictable events that faced the Dons Copyright Libri GmbH All rights reserved

Immigration in Singapore Vasu, Wen Ling Chan, Su Yin Yeap, 2025-10-01 This study traces the socio-political effects of immigration on Singapore and its population a topic that has been the subject of intense debate in the nation as its population grows increasingly diverse Beyond the logic of economic imperatives the book aims to explore the larger consequences of taking in large number of immigrants and its analysis should appeal to scholars of migration social change and public policy

The York Mystery Cycle and the Worship of the City Pamela M. King, 2006 An investigation into the connections between the York Plays religious observance and the role played by the city itself WINNER of the 2007 David Bevington Prize The York Play is the earliest near complete English civic mystery cycle It evolved constantly throughout its long performance history but the text that was recorded in the York Register shows that it was already a mature and elaborate civic festival by the time it was written down This study uncovers the Cycle's connection with worship in York in the sense both of devotional practice and of civic honour informing a particular period in the cultural history of the city The pageants in the Register show in their different ways how the community which devised and performed the Cycle regarded the celebration of the great summer feast of Corpus Christi Moreover the principles of selection that give the Cycle its structure reflect the broader pattern of the liturgical calendar with its other feasts and fasts The Cycle bears witness not only to the practices of religious observance in York but also to the ecclesiastical politics in which the city was caught up from the very beginning of the fifteenth century PAMELA KING is Professor of Medieval Studies at the University of Bristol
