*The Routledge Handbook of Archaeology and Plastics* Genevieve Godin, Þóra Pétursdóttir, Estelle Praet, John Schofield, 2024-09-17 The Routledge Handbook of Archaeology and Plastics investigates the archaeology of the contemporary world through the lens of its most distinguishing and problematic material Plastics are ubiquitous and have been so for nearly three generations since they became widely used in the early 1950s Plastics will persist for millennia their legacies as toxic heritage being felt deep into the future In this book comprising 32 original at times disturbing and critically engaged contributions scholars from archaeology and other cognate disciplines explore plastics from a number of different angles and perspectives Together these contributions highlight the dilemma that plastics present their usefulness on the one hand and the threats they present to environmental health on the other The volume also explores the lessons that archaeologists can learn from plastics about episodes of mass production consumption and toxicity in the past and also importantly about the future This important and timely collection will therefore be of interest to all archaeologists irrespective of their period of study or their geographical focus and to students of archaeology and cultural heritage It will also be relevant for researchers and students in other fields of study that focus on plastics and their environmental and social impacts Ultimately this book concerns the contemporary world and the impact of people upon it through the archaeological lens      *A Catalogue of Books Belonging to the Lower Hall of the Central Department* Boston Public Library,1873      *A Critical Dictionary of English Literature* S. Austin Allibone,1871      Resources in Education ,1997      A Critical Dictionary of English Literature and British and American Authors Living and Deceased from the Earliest Accounts to the Latter Half of the Nineteenth Century by S. Austin Allibone ,1871      Someone Other Than a Mother Erin S. Lane,2022-04-26 Theologian Erin S Lane overturns dominant narratives about motherhood and inspires women to write their own stories Is it possible to do something more meaningful than mothering As a young Catholic girl who grew up in the American Midwest on white bread and Jesus Erin S Lane was given two options for a life well lived Mother or Mother Superior She could marry a man and mother her own children or she could marry God so to speak and mother the world s children Both were good outcomes for someone else s life Neither would fit the shape of hers Interweaving Lane s story with those of other women including singles and couples stepparents and foster parents the infertile and the ambivalent *Someone Other Than a Mother* challenges the social scripts that put moms on an impossible pedestal and shame childless women and nontraditional families for not measuring up You may have heard these lines before Motherhood is the toughest job This script diminishes the work of non moms and pressures moms to make parenting their full time gig It ll be different with your own This script underestimates the love of nonbiological kin and pushes unfair expectations onto nuclear families Family is the greatest legacy This script turns children

into the ultimate sign of a woman's worth and discounts the quieter ways we leave our mark With candor and verve Someone Other Than a Mother tears up the shaming social scripts that are bad for moms and non moms alike and rewrites the story of a life well lived one in which purpose is bigger than body parts identity is fuller than offspring and legacy is so much more than DNA     *A Critical Dictionary of English Literature* Samuel Austin Allibone, 1871
