Not For Sale:

The Land Shall Not Be Sold in Perpetuity Yossi Katz, 2016-04-11 The State of Israel is the only Western state where the majority of lands are still owned by the State and by a public body related to it The Jewish National Fund At the root lies the divine command stating that the Land of Israel belongs to God and therefore should not be traded in perpetuity Leviticus 25 This principle has been applied to almost all of the State lands and was established in a Basic Law Since the 1980s there were many pressures in Israel to privatize at least part of the State's and JNF's lands due to the general privatization process of Israel's economy the deepening globalization process and the transformation of Israel to an individualistic society However only a small portion of the lands were privatized constituting 4% of the area of Israel The book is based wholly on primary sources It describes and analyzes the history of the ideological social and legal processes that took place and their development since the beginning of the 20th century until today processes that brought about the unique phenomenon of the State of Israel as an advanced capitalistic state whose lands are mostly state owned LSAT Logic Games Manhattan Prep, 2020-03-03 Manhattan Prep's LSAT Logic Games guide fully updated for the digital exam is an essential tool for the LSAT section that everyone loves to hate Manhattan Prep's LSAT guides use officially released LSAT questions and are written by the company's instructors who have all scored a 172 or higher on the official LSAT we know how to earn a great score and we know how to teach you to do the same This guide will train you to approach LSAT logic games as a 99th percentile test taker does Recognize every type of game Make valid inferences Diagram quickly and accurately Predict correct answers and spot trap answers Take advantage of the digital format to work quickly and strategically You will have access to many practice problems and extensive solutions Timed drill sets made up of real LSAT questions to help you absorb and apply what you've learned In depth solutions including hand drawn diagrams and step by step analysis Why Some Things Should Not Be for Sale Debra Satz, 2010-06-10 The noted philosopher Debra Satz takes a skeptical view of markets pointing out that free markets are not always a force for good She asks What considerations ought to guide the debates about such markets What is it about the nature of particular exchanges that concerns us to the point that some types of markets are problematic How should our social policies respond to these more noxious markets Satz's original and long anticipated expression of her views on this important topic will be of interest to philosophers political scientists economists and scholars in law and public policy **Shipped but Not Sold** Nancy Um, 2017-05-31 In the early decades of the eighteenth century Yemen hosted a bustling community of merchants who sailed to the southern Arabian Peninsula from the east and the west seeking and offering a range of commodities both luxury and mundane In *Shipped but Not Sold* Nancy Um opens the chests these merchants transported to and from Yemen and examines the cargo holds of their boats to reveal the goods held within They included eastern spices and aromatics porcelain cups and saucers with decorations in gold from Asia bales of coffee grown in the mountains of Yemen Arabian horses and a wide variety of cotton silk velvet and woolen cloth from India China

Persia and Europe in addition to ordinary provisions such as food beer medicine furniture pens paper and wax candles As featured in the copious records of the Dutch and English East India Companies as well as in travel accounts and local records in Arabic these varied goods were not just commodities intended for sale in the marketplace Horses and textile banners were mobilized and displayed in the highly visible ceremonies staged at the Red Sea port of Mocha when new arrivals appeared from overseas at the beginning of each trade season Coffee and aromatics were served and offered in imported porcelain and silver wares during negotiations that took place in the houses of merchants and officials Major traders bestowed sacks of spices and lavish imported textiles as gifts to provincial governors and Yemen s imam in order to sustain their considerable trading privileges European merchants who longed for the distant comforts of home carried tables and chairs along with abundant supplies of wine and spirits for their own use and in some cases further distribution in Yemen s ports and emporia These diverse items were offered displayed exchanged consumed or utilized by major international merchants and local trade officials in a number of socially exclusive practices that affirmed their identity status and commercial obligations but also sustained the livelihood of their business ventures Shipped but Not Sold posits a key role for these socially significant material objects many of which were dispatched across oceans but not intended only for sale on the open market as important signs tools and attributes in the vibrant world of a rapidly transforming Indian Ocean trading society

Government Deals are Funded, Not Sold Gene Moran, 2023-11-28 As identified by Bloomberg Government the best performing federal contractors all lobby Congress We might guess that intuitively The common perception of Washington DC as an insider s game persists and it makes sense that the winners lobby However focusing only on best performing contractors limits the view of what unfolds through congressional lobbying or more importantly could unfold for even more companies if they only recognized that they also have access to Congress The tools of congressional influence are available to every company yet the overwhelming majority of federal contractors eschew the opportunity to lobby Congress Sadly it s not just that companies often don t know how It s worse they don t know why lobbying Congress can be helpful Defense represents the most significant portion of the federal budget annually reviewed and approved by Congress As such it s a valuable case study to understand what may contribute to a concentration of winners that garner federal contracts Any company can learn by understanding more about lobbying in the defense industry The inability or unwillingness to integrate lobbying into a sales strategy stems from hubris ignorance and lack of imagination Thinking I ve got this and relying on their wits and narrow networks too many defense executives struggle to gain real traction and consistently win large contracts The result The biggest winners aggregate at the top of the defense industrial base pyramid while the hundreds of thousands of others are left to wonder what just happened and why it s so hard This book focuses on those who do not lobby It s almost too easy to conclude the system is unfair unlikely to change and populated by well connected insiders who move through the revolving door Digging a little deeper this book reveals that the real challenge to more democratized access to Congress is

within our reach if we could only see it Highlighting the Importance of Big Data Management and Analysis for Various Applications Mohammad Moshirpour,Behrouz Far,Reda Alhajj,2017-08-22 This book addresses the impacts of various types of services such as infrastructure platforms software and business processes that cloud computing and Big Data have introduced into business Featuring chapters which discuss effective and efficient approaches in dealing with the inherent complexity and increasing demands in data science a variety of application domains are covered Various case studies by data management and analysis experts are presented in these chapters Covered applications include banking social networks bioinformatics healthcare transportation and criminology Highlighting the Importance of Big Data Management and Analysis for Various Applications will provide the reader with an understanding of how data management and analysis are adapted to these applications This book will appeal to researchers and professionals in the field **Code of Federal Regulations** United States.
