

The book cover features a close-up, high-contrast photograph of a person's face, partially submerged in water. The image is heavily tinted with a teal or cyan color, giving it a somber and mysterious feel. Bubbles and ripples are visible in the water around the person's face, which is in the upper left corner. The title and author's name are prominently displayed in the center and lower half of the cover.

Alice Neel 1900 1984 declared in 1950 I have tried to assert the dignity and eternal importance of the human being This
ambitious publication surveys Neel s nearly 70 year career through the lens of her radical humanism Remarkable portraits of
victims of the Great Depression fellow residents of Spanish Harlem leaders of political organizations queer artists visibly
pregnant women and members of New York s global diaspora reveal that Neel viewed humanism as both a political and
philosophical ideal In addition to these paintings of famous and unknown sitters the more than 100 works highlighted include
Neel s emotionally charged cityscapes and still lifes as well as the artist s erotic pastels and watercolors Essays tackle Neel s
portrayal of LGBTQ subjects her unique aesthetic language which merged abstraction and figuration and her commitment to
progressive politics civil rights feminism and racial diversity The authors also explore Neel s highly personal preoccupations
with death illness and motherhood while reasserting her place in the broader cultural history of the 20th century
