Nov 2014 Foundation Paper1:

An Unfinished Foundation Ken Conca, 2015 The UN treats the global environment as a problem for international law and economic development but not as part of its mandate to promote peace and champion human rights In this pathbreaking book a leading scholar of global environmental governance suggests reforms to mobilize peacebuilding conflict sensitivity and rights based approaches as tools for environmental protection **Media Power and Plurality** S. Barnett, J.

Townend, 2015-05-21 While policymakers in the world reiterate the importance of protecting voice diversity traditional media conglomerates and new social media giants make their task increasingly challenging This book assesses the current state of policy making on media plurality and explores novel policy ideas for funding regulatory and structural interventions

America's Moment Rework America, 2015-06-15 It is time for a new conversation Amid the biggest economic transformation in a century the challenge of our time is to make sure that all Americans benefit from the wave of digital revolutions around the world that have permeated and upended modern life Yet today's economic arguments seem stuck We need a new vision of a hopeful future and a new action agenda So many Americans are uncertain about the future How can there be so many paths to opportunity with so few people traveling them As a nation we have to understand what is required to help Americans succeed now and how to prepare our country for what comes next We have been here before A hundred years ago America experienced the greatest economic transformation and technological revolution in its history The transformation of the past twenty years as the world has moved through the information era into the digital age has turned our life and work upside down once again It is a time of tremendous change but also of tremendous possibility Rework America is a group of American leaders who know from experience the challenges we face and the potential solutions In America's Moment they suggest a practical agenda for an exciting future It is illustrated by people who are already showing the way and includes actions Americans can take today in their own communities preparing people to succeed using the reach of the Internet and data to innovate jobs and to reach new markets all over the world using technology to match employers and workers and transitioning to a no collar working world neither blue collar nor white collar Set against the history of how Americans succeeded once before in remaking their country America's Moment is about the future It describes how the same forces of change technology and a networked world can become tools that can open opportunity to everyone **Routledge Handbook of Immigration and Refugee Studies** Anna Triandafyllidou, 2015-10-05 The

Routledge Handbook of Immigration and Refugee Studies offers a comprehensive and unique study of the multi disciplinary field of international migration and asylum studies Utilising contemporary information and analysis this innovative Handbook provides an in depth examination of legal migration management in the labour market and its affect upon families in relation to wider issues of migrant integration and citizenship With a comprehensive collection of essays written by leading contributors from a broad range of disciplines including sociology of migration human geography legal studies political

Kyrgyzstan - Regime Security and Foreign Policy Kemel Toktomushev, 2016-10-04 Kyrgyzstan is an interesting example of a relatively weak state which for its brief period of independence has already ousted two presidents experienced two revolutions survived two interethnic conflicts and yet remained intact This book explores this apparent paradox and argues that the schism between domestic and international dimensions of state and regime security is key to understanding

the nature of Kyrgyz politics The book shows how the foreign policy links to the Manas Air Base used by the US military and essential for supplying their forces in Afghanistan the economic arrangements necessary for sustaining the base both inside and outside Kyrgyzstan and the myriad of different actors involved in all this combined to overshadow points of friction to ensure stable continuance of the status quo Overall the book shows how broad geopolitical forces and complex local factors together have a huge impact on the formation of Kyrgyz foreign policy

Handbook of Democratic Innovation and Governance Stephen Elstub, Oliver Escobar, 2019-12-27 Democratic innovations are proliferating in politics governance policy and public administration These new processes of public participation are reimagining the relationship between citizens and institutions This Handbook advances understanding of democratic innovations in theory and practice by critically reviewing their importance throughout the world The overarching themes are a focus on citizens and their relationship to these innovations and the resulting effects on political equality The Handbook therefore offers a definitive overview of existing research on democratic innovations while also setting the agenda for future research and practice
