Light Years from Tranquility Frank Lewandowski, 2011-04-11 In the distant future an enemy of Mankind is destroying space colonies causing human expansion among the stars to come to a halt Unaware these events have been taking place Starship Captain Erik Houston is en route back to headquarters He can't stop thinking about Zama a female Believer from his last mission A shocking discovery aboard his ship causes him to question her motives Despite his concerns he seeks to get reassigned to her planet Instead his superiors send him and his crew on a high risk mission to a star system where two rival species are about to go to war Some highly improbable events unfold that seem meant to be almost as if an unseen hand were guiding things First Officer Fred Montoya a religious skeptic begins to feel his long held views may be wrong Perhaps there is a God after all The story offers adventure and a romance that transcends time and space *Light Years from Tranquility* is the sequel to Lewandowski's previous novel *Light Years from Paradise* *Living on Centauri* Donald Krueger, 2019-11-26 The story begins some 300 years ago when the planet Centauri sent a tiny spaceship to Earth The saga began from a discovery that the two planets were created identically This book is the final chapter evolving from the first three in the storyline Background would be revealed by reading the first three i.e. *Hush Sisters* *Hush Music for Centauri* and *The Search for Tesla* All of which are available in eBooks and paperbacks This book is a continuation with all the same characters This story is about adapting to living on a new planet since circumstances on Earth gave grave concern for remaining The 40 times lightspeed spacecraft made the two month journey in a luxury comparable to a cruise ship Now they fit in nicely and live in the mansion of the woman who started it all They are now among a populous with life expectancies approaching 1000 years Physical appearances have no identifiers that are discernable except the slow growth of children On Centauri there is but one culture and no religions The global population is 150 million and has but one language So now with interest in Earth waning the Council of Centauri wants to utilize this marvelous spacecraft to search the galaxy for life beyond what has before been limited to sub lightspeed vehicles They decided on a ten year expedition with a crew of seven only to find that the cosmos has little to offer except months of boredom *Special Edition Using the Internet and Web* Michael Miller, 2001 *Special Edition Using the Internet and Web* covers multiple individual end user activities it's like having a dozen activity specific books under a single cover The book is organized by activity how people spend their time online Each chapter describes a specific activity and shows users the best ways to engage in that activity online complete with real world tips and advice for getting the most of that time online Topics range from getting connected and getting connected faster to online shopping and downloading MP3 files In short whatever users want to do online they'll find in this book without having to wade through hundreds of pages of software specific instruction **Report of the Annual Meeting of the South African Association for the Advancement of Science**, 1922 **Dreams of Eden** Jonathan Frost, 2025-01-28 Elizabeth Fallon and Isaac Goldman meet by chance in 1970s London Elizabeth a Tarot reader believes she can speak to the dead Isaac a rootless

dreamer has written a book Beguiled by Elizabeth he asks for her help with questions only the dead can answer Azazel a Watcher from an alien race called Nephilim reveals itself during a terrifying seance telling Isaac his book is a prophecy Their lives change forever Twelve years later Elizabeth a SETI astrobiologist discovers a mysterious signal containing an apocalyptic message from an extraterrestrial civilisation Isaac now an archaeologist is excavating a site in Iraq One night he is struck by a vision a premonition of disaster Without warning his excavation is bombed His team flee for their lives across the Zagros mountains While they shelter in a cave Isaac makes a shattering discovery His world implodes and he disappears Thirty years later a documentary film crew are trying to discover what happened to Isaac Their only surviving witness Elizabeth Fallon mysteriously disappears Dreams of Eden is a compelling and gripping story set in the near future which challenges the perception of human imagination and questions our reality

Tinay the Warrior Princess Sonya Roy,2015-01-23 Mani a Canadian librarian tells of how many years ago the people of Atlantis were forced to leave the earth to establish a colony in space to escape annihilation They eventually settled on the isolated planet of Sasgorg After several millennia of peace the Evil Queen took control and destroyed the balance between good and evil Fifty years under her rule has passed and the very survival of the last of the descendants of Atlantis is threatened Their destiny rests on the unknowing shoulders of Tinay a young Atlantean She must undergo the traditional rite of passage to become an apprentice artisan while unwittingly being trained to become a warrior Tinays destiny is to overthrow the Evil Queen and restore to her people but is a fourteen year old up to the task

Atlas of the Messier Objects Ronald Stoyan,2024-03-28 Messier s catalog of 110 star clusters nebulae and galaxies is the most popular list of deep sky gems The first edition of this stunning reference atlas was hailed as the most comprehensive detailed and beautiful account of the Messier objects then available The second edition continues this trend with thoroughly investigated and updated astrophysical historical and observational information for every object The main object photos have all been replaced with more than 150 new images from some of the world s best amateurs displaying the objects splendor through large scale color images Historical sketches from classical observers from the nineteenth century are presented alongside the author s modern deep sky drawings Extensive information is given on visual observation from using the naked eye and binoculars through to large modern amateur telescopes Astronomers of all abilities will delight in the Atlas s return as your guide to the sky s finest objects

Engine City Ken MacLeod,2024-03-26 The Concluding Volume of the Engines of Light With Cosmonaut Keep and Dark Light both finalists for science fiction s Hugo Award Ken MacLeod launched a new interstellar epic with all the engaging characters and ingenious SF inventiveness of his earlier Fall Revolution novels Now MacLeod delivers the culmination of his epic of a human future crammed with innumerable varieties of intelligent alien life and in which humans find themselves involved in the politics of aliens as powerful and inscrutable as gods and entangled in

their wars For ten thousand years Nova Babylonia has been the greatest city of the Second Sphere an interstellar civilization of human and other beings who have been secretly removed throughout history from Earth Now humans from the far reaches of the Sphere have come to offer immortality and to urge them to build defenses against the alien invasion they know is coming As humans and aliens compete and conspire the wheels of history will lathe all the players into shapes new and surprising The alien invasion will reach New Babylon at last led by the most alien figure of all **Waxing and Waning a**

Memoir of an Amateur Astronomer James Hannon,2014-06-23 The true story of my life as an amateur astronomer I tell of all the start and stops in the hobby as I past through different stages of my life always returning to astronomy The love of the night sky has remained with me ever since I discovered the stars at the age of five Genesis 3 Barry E

Woodham,2012-08-25 In the fifth and final book of the epic science fiction saga The Genesis Project the peace seeking alien alliance seems to have found the perfect world to colonise in a distant corner of the universe Except someone or something has been there before them And it may not have left Centuries of war politics and near total annihilation have forged the Council of Worlds whose only desire is to settle peaceful planets throughout the universe It began when humanity escaped the death of their planet which set them on a dangerous adventure of inter species contact Believing that the years of devastating war are behind them the alliance s search for a home planet seems successful when they discover a forgotten world complete with an abandoned city It is only when they are attacked by strangely intelligent machines that they realise that their landing here was not an unfortunate coincidence In Genesis 3 A New Beginning the various species of the alliance are plunged into a brutal battle for survival against an enemy that will never surrender As the odds mount against them it seems that the humans that left earth many years ago have finally met an adversary they cannot overcome *No Direction*

Home James Baddock,2019-06-05 It is the twenty second century Chris Vinter awakes aboard a UN starship on its way to Delta Pavonis carrying two thousand colonists to a new planet fleeing from an Earth on the brink of nuclear war They are barely a quarter of the way into their journey and now as the senior UN Security Officer he has been awoken from cryogenic sleep to deal with an emergency that threatens everybody on board All is not as it seems to be however within days there is a coup and Vinter finds himself forced to work for one of the power blocs the starship was trying to escape from as the only way of protecting the colonists in the cryosleep chambers He also discovers that someone has been tampering with his memories of Earth and far more than that He has been Augmented gene engineered as a semi cyborg warrior programmed to kill on demand the first of his kind He cannot trust his memory nor can he control his reflexes or even his allegiances but he is faced with the task of preventing Mankind s last war in the depths of interstellar space How is he to achieve this when the only people who can help him know that he could turn against them at any moment **Fizz (paperback) - Nothing is as it seems**

Zvi Schreiber,2011-05 **A Rookie's Share** Cherime MacFarlane,2022-03-02 Bethia Bet to her friends met Arthan a Vicillian while in basic They became partners and fought their way to the top two places in their class Crewing on the Long

Sword is any rookie's dream berth. The gray all over alien interests her until she learns his secret. His confession doesn't bring her closer but Arthan felt he must be honest with Bet now that they have a place. He wants the Caletan female but isn't sure how to attract her. Gray hair, skin and eyes he's colorless. Arthan's father is about to cause more trouble. The pirate leader wants what his father promised them and will get it from Arthan any way he can. The plan is to kidnap Bet and force Arthan to ransom her. Greenhouse 2 becomes a trap for Arthan and Bet when the pirates find them while on leave. Can they get out of the swamp alive?

Wave Dancer Cherime MacFarlane, 2022-03-03 A young alien genius Bantan S kan has no experience with females and is bitter over his kidnapping by pirates. He's out to do as much damage to the pirates as he can. Then he meets her. Leisha a human female is a non commissioned officer on a S U N scout ship. The young rescued alien ticks all her boxes. Older than Bantan she's happy to further his education. When her family's summons comes she leaves the ship and Bantan. The Arkalian doesn't take rejection well. S U N needs him he needs Leisha. Can he hurt the pirates without losing his life? How can he have a life with Leisha and keep the pirates from finding them?

Conflict Space Paden Hodges, 2025-02-24 On the untamed planet of Terra Nova humanity's last hope for a fresh start is under siege. The Hive a terrifying alien race launches a devastating attack shattering the fragile peace and abducting Mira the beloved wife of Orion Steele. In the aftermath Orion is left with a burning determination to rescue her and protect their new home. Barely escaping a Hive ambush Orion finds refuge aboard the Valkyrie a versatile frigate captained by the fearless Elias Hawk Maddox. Witnessing the Hive's brutality firsthand Orion joins Hawk's crew driven by his quest to find Mira and his resolve to fight back against this formidable enemy. As the crew of the Valkyrie undertakes perilous missions and daring rescues they encounter an array of compelling characters. Nova a brilliant scientist with crucial knowledge about the Hive. Blade a fierce warrior with a personal vendetta and ROOK a loyal combatant haunted by his past. Together they form an unbreakable bond facing the horrors of the Hive and uncovering secrets that could change the course of the conflict.

After Earth Peter David, 2013-05-28 Experience the vast tapestry of After Earth in a novelization unlike any other a thousand year saga featuring original content from the mind of Peter David the veteran sci fi author who helped develop the richly imagined universe. This is the complete never before seen chronicle of the extraordinary family that's been across the universe and back from humanity's last days on Earth through the events of the epic film RAIGE RUNS IN THE FAMILY. General Cypher Raige of the United Ranger Corps is only the latest in a long line of heroes. For a thousand years ever since the globe was engulfed by environmental apocalypse the Raiges have been instrumental in humanity's survival. They led the way as the survivors abandoned Earth settled an uninhabitable planet called Nova Prime withstood an onslaught from a mysterious alien force and carved out a new home in the farthest reaches of the galaxy. Now Cypher has returned to his family after an extended tour of duty. For his thirteen year old son Kitai tagging along with his famous father is the adventure of a lifetime and a chance to salvage their relationship. But when an asteroid collides with their craft they make a

crash landing that leaves Cypher seriously perhaps fatally wounded Kitai Raige has always wanted to prove that he has what it takes to live up to his illustrious name Now all too soon he gets his chance With his father s life on the line Kitai must venture out into the strange hostile terrain of a new world that seems eerily familiar Earth **Journey** L.
