The Fleischmann Yeast Family P. Christiaan Klieger, 2004-11-24 Fleischmann is a brand name that everyone recognizes even if they have never baked bread from scratch drunk a Fleischmann s gin and tonic or used their vinegar and margarine Charles Fleischmann in fact pretty much invented the brand name and this continued recognition is testimonial to his genius At one time teenagers around the country ate fresh yeast cakes by the millions to improve their skin and corporate success was measured in pound of live yeast consumed per capita And the great Fleischmann distilleries kept America jolly from 1870 to Prohibition and afterward Charles Fleischmann and his brothers sons daughter and grandsons amassed a fortune that would be easily equivalent to the billionaires of today and it all started through the scientific husbandry of a tiny one celled fungus known as yeast Add sugar and water and you get alcohol and more yeast simply alter it slightly and you get vinegar Multiply it times a million and you have the beginnings of the modern industrial food industry in America This book is a snapshot of a unique family from Central Europe that changed the way America cooked A family business from the Civil War until the start of the Depression Fleischmann s created the giant food conglomerate Standard Brands which was in turn gobbled up by Nabisco in the 1980s In its long history it literally invented the coupon premium the give away recipe book and state fair bake offs This is a story of a talented generous outrageously successful family and of a brand name that still conjures up delicious memories of freshly baked bread and a most happy well being The Fleischmann story is America at its finest

A Baker's Field Guide to Doughnuts Dede Wilson, 2012-09-18 For those of us who remember biting into a warm doughnut fresh from the stovetop or for the younger generation who might be experiencing that decadent confectionary for the first time few can resist the allure of this nostalgic pastry that has become a staple in American baking A Baker s Field Guide to Doughnuts is the newest addition to the best selling series from baking expert Dede Wilson In this whimsical collection Wilson convinces us that homemade is the only way to enjoy the best quality doughnuts and moreover doughnuts are no more difficult to make than a birthday cake or a batch of cookies Where home bakers had once been daunted by the challenges of frying flipping and frosting Wilson breaks down each doughnut with step by step instructions that are simple enough to guide anyone through creating doughnuts that look as beautiful as the photographs throughout the book In over

60 different recipes she includes all the essentials like cider doughnuts old fashioned buttermilk doughnuts and French crullers but adds a healthy dose of creativity as well In the first part of the book she provides The Master Recipes a variety of basic doughnuts frostings fillings and glazes The second part contains The Field Guide where she puts together the master recipes in decadent combinations like chocolate caramel bourbon pecan doughnuts cr me brul e doughnuts and German chocolate cake doughnuts Innumerable in their variations and just plain irresistible doughnuts are a baking delight won t go out of style Wilson both celebrates and reinvigorates the doughnut baking tradition in this guide essential to any baker s cookbook collection
