Women, Seduction, and Betrayal in Biblical Narrative Alice Bach, 1997-08-28 This accessible readable book looks at the cultural study of the Bible challenging the traditional mode of reading the women in the Bible Alice Bach applies literary theory cultural representations of biblical figures films and paintings to a close reading of a group of biblical texts revolving around the wicked literary figures in the Bible She compares the biblical character of the wife of Potiphar with the Second Temple Period narratives and rabbinic midrashim that expand her story She then reads Bathsheba against a Yiddish novel by David Pinski and finally looks at the Biblical Salome against a very different Salome created by Oscar Wilde and the selection of Salomes created by Hollywood Bach argues that biblical characters have a life in the mind of the reader independent of the stories in which they were created thus making the reader the site at which the texts and the cultures that produced them come together

Round Table, 1867 *The Politics of the Revised Version* Alan Cadwallader, 2018-12-13 Alan Cadwallader explores the intricate tensions and conflicts that infused the work of revision of the Authorised Version of the Bible between 1870 and 1885 The Promethean aspirations of the venture actually generated one of the most bitter instances of the political manoeuvres involved in the translation of a sacred book Cadwallader reveals how the public avowal of unity and fraternal harmony that accompanied the public release and marketing of the New Testament revision in 1881 and the Old Testament revision in 1885 masks fraught historical realities that threatened the realization of the project from the beginning Through a thorough examination of private correspondence notebooks kept by various members of the New Testament Revision Companies in England and the United States and other previously unstudied primary sources Cadwallader examines and presents the complexities of the political situation surrounding the translation He exposes the

competing interests of an imperial sovereign nation and a seriously divided Established Church floundering over its continued relevance the ambitions and significance of Nonconformity in a nation's highly contested religious environment the agonistic conflicts that erupted from assertions of national and international prestige and responsibilities and the ultimate control exercised by publishing houses that fundamentally flawed the process of revision and the public acceptance of the final product *The Round Table* ,1867 *The Law Magazine and Review* ,1874 *Law magazine and review* ,1874

Rushdie's Cross-Pollinations Dana Bădulescu,2022-01-12 This book is a literary journey through Salman Rushdie's cross-pollinated gardens showing that the metaphor of reading as a quest is essential to Rushdie's writing. It invites scholars and students interested in postcolonialism, postmodernism, transculturalism, and the global novel to explore the many facets of Rushdie's novels and collections of essays. The journey starts from Rushdie's sorcery with language and it continues with his appraisal of Joyce's legacy. The reader will also find an analysis of the dark season of the fatwa as well as the lush sensuality of the body and aestheticized Eros in *The Moor's Last Sigh*, *The Ground Beneath Her Feet*, *Fury*, *Shalimar the Clown*, and *The Enchantress of Florence*. The book further explores the liquid bridges, the postmodernist twist, and postcolonial satire in Rushdie's fiction. After providing a sense of Rushdie's novel of disorientation and New York, the book finishes by exploring Rushdie's *Quichotte*, published in 2019, an epitome of the global novel that revisits and translates Cervantes's *Don Quixote de la Mancha* for readers addicted to TV and the Internet. *The New England Seduction* Deke Rivers,2015-11-15 A young architect after many years returns home to visit his parents in Bar Harbor and unexpectedly meets the girl of his dreams. Then, through a series of circumstances, he gets involved in a drug trafficking operation that centers on the sleepy hollow, inconspicuous small town of Bar Harbor in Maine in the North of New England. *The Seduction of Place* Joseph Rykwert,2004 What do our cities say about us? What have we made of them and how ought they to be? How has our vision of the city evolved over time, and can we really influence change and effect improvements? In this vibrant cultural history of the city, Joseph Rykwert explores the great cities of the modern world, examining their fabric and assessing how successfully they have met the needs of their inhabitants. From the teeming city centres of the industrial revolution to the exclusive gated suburbs of the 21st century, from the Parisian boulevards of Haussmann to the green architecture of Emilio Ambasz, Rykwert charts the complex story of the growth of the city, setting architectural development firmly within a political, economic, social, and cultural context. Drawing on examples from Brasilia to Islamabad, Shanghai to Houston, Rykwert presents a fascinating analysis of urban growth, arguing forcefully that as voters and consumers, we need to consider the economic, social, and cultural implications of developments and demonstrate our resistance to them if necessary. The arguments over the future of the Ground Zero site in Manhattan encapsulate the conflicting demands of civic pride and public utility set against private gain that vie for dominance in the 21st century and exemplify the choices that as citizens we must all eventually make. *I Flew for the Führer* Heinz Knoke,2020-12-14 Heinz Knoke was one of the outstanding German fighter pilots of the Second

World War This vivid first hand record of his experiences has become a classic among aviation memoirs and is a fascinating counterbalance to the numerous accounts written by Allied pilots Knoke joined the Luftwaffe on the outbreak of war and eventually became commanding officer of a fighter wing An outstandingly brave and skillful fighter he logged over two thousand flights and shot down fifty two enemy aircraft He had flown over four hundred operational missions before being wounded in an astonishing last stand towards the end of the war He was awarded the Knight's Cross for his achievements In a text that reveals his intense patriotism and discipline he describes being brought up in the strict Prussian tradition the rise of the Nazi regime and his own wartime career set against a fascinating study of everyday life in the Luftwaffe He also reveals the high morale of the force until its disintegration His memoirs are both a valuable contribution to aviation literature and a moving human story
