William Robert, 2022-02-14 A study of religion through the lens of Peter Shaffer's play *Equus* In *Unbridled* William Robert uses *Equus* Peter Shaffer's enigmatic play about a boy passionately devoted to horses to think differently about religion For several years Robert has used *Equus* to introduce students to the study of religion provoking them to conceive of religion in unfamiliar even uncomfortable ways In *Unbridled* he is inviting readers to do the same A play like *Equus* tangles together text performance practice embodiment and reception Studying a play involves us in playing different roles as ourselves and others and those roles as well as the imaginative work they require are critical to the study of religion By approaching *Equus* with the reader turning the play around and upside down *Unbridled* transforms standard approaches to the study of religion engaging with themes including ritual sacrifice worship power desire violence and sexuality as well as thinkers including Judith Butler Sigmund Freud Karl Marx Friedrich Nietzsche and Jonathan Z Smith As *Unbridled* shows the way themes and theories play out in *Equus* challenges us to reimagine the study of religion through open questions contrasting perspectives and alternative modes of interpretation and appreciation ***Ethnologia Europaea* vol. 40:2** , *The Oxford Handbook of Politics and Performance* Shirin Rai, Milija Gluhovic, Silvija Jestrovic, Michael Seward, 2021 While political scientists and political theorists have long been interested in social and political performance and theatre and performance researchers have often focused on the political dimensions of the live arts the interdisciplinary nature of this labor has typically been assumed rather than rigorously explored This volume brings together leading scholars in the fields of Politics and Performance drawing on experts across the fields of literature law anthropology sociology psychology and media and communication as well as politics and theatre and performance to map out and deepen the evolving interdisciplinary engagement Organized into seven thematic sections the volume investigates the relationship between politics and performance to show that certain features of political transactions shared by performances are fundamental to both disciplines and that to a large extent they also share a common communicational base and language
